INTRODUCTION

The Piper Family Tree has been created as a vertical chart. The lines on the left side of each page represent the generations. The relevant ancestors are listed at the top of each page. The names of children all touch the line coming directly from the name of their Piper parent.

Women are indexed under their maiden/family name only. Where maiden/family names are not known, married names are used and these entries are indicated thus *. Where two or more people have the same name, the year of birth is given. If further identification is required, the line from which they come is indicated, such as (J) for John.

YOB - stands for YEAR OF BIRTH **YOM or YOP** - Year of being Married or Partnered living together

b Where - Born Where OR Birth Place **m Where** - Married or Partnered Where

Anything in a **DIFFERENT COLOUR** (*Red or Black*) needs to be amended to reflect **Unknown Given & SURNAME, Where Born, Died or Married etc.**

BLACK – 1st Generation **Blue** – 2nd Generation **Green** – 3rd **Orange** – 4th **Grey** – 5th **Purple** – 6th **Maroon** – 7th **Light Green** – 8th **Light Blue** – 9th **Brown** – 10th
