About

BONDED is part of Haus Of Brows, one of Cheshire's leading Permanent Makeup Clinics. Owned and ran by Sarah Robinson.

With a keen interest in Jewellery and creativity and inspired by the increasingly popular new trend of Permanent (also known as Welded) Jewellery, Sarah created BONDED knowing this would be an amazing service to offer her clients and to welcome new clients.

The popularity of this treatment has soared, not surprisingly because of the beautiful and bespoke nature of the jewellery. Whether you are just looking to treat yourself or signify a special moment or bond with someone, Permanent Jewellery really is the perfect way to do this. Designed to be worn and loved every day.
