By keeping your information current, you are helping our staff, group leaders, and our church community. Your profile includes:

- Contact information (name, address, email, phone)
- Photo
- Family Members
- Personal information (marital status, birthday...)
- Connected Social Media accounts

Privacy: You can decide later what data you want to hide online by setting your privacy preferences. Feel free to enter your full birthday. The year and your age will NOT be displayed on your Church Directory Profile.
