

# ASBURY

Asbury has been serving the community for over 40 years. Asbury Child Development Center is Christ focused and center on the whole child. It is our belief that children learn through

hands on meaningful experiences and Camp Asbury offers that to our students while parents must work. Camp Asbury is an engaging place for your child to grow on those things

that are outside of their usual academics and it leaves them wanting more! We hope to see you this summer!

### HOW DO I SIGN UP?

Please fill out your child's registration form **completely**. Those days that you circle for your child attending are *commitments*. You are required to pay for those dates even if your child does not attend. This ensures that we do not turn away families unnecessarily as Camp is very popular and fills quickly. You will be able to break one commitment of 2+(consecutive) days for last minute vacations planned as we are aware sometimes dates are not nailed down ahead of time.

## WHAT DOES ASBURY OFFER?

Asbury offers an array of activities to keep our Elementary Students, busy, engaged and excited to come each day! Field trips, clubs and Christ are not in short supply!

Field Trips are offered 2 to 3 days each week during camp. Last year our students were able to participate in

archery, fishing, kayaking, park fun, exploration place, the library, old town, Botanical Gardens, the pool and so

much more! Our line up this year will be just as exciting. When your students are not out on the town enjoying field trips we engage them in fun and clubs such as cooking, sports, art, STEM and others that get those brains thinking in a fun and interactive way!
