

Horses change our lives. We're on a mission to change theirs.

IT IS NOT ENOUGH TO REHOME AN OTTB
They need a professional that understands
the transition from the track to a second
career in a way that can only be understood
after having lived in both worlds. Founded to
enact the vision of legendary jockey Garrett
Gomez and his dream to create such a
transitional program, NLE strives to meet
that need. At NLE, we speak thoroughbred.
