

Minibus Hire Service for Community Groups

We provide safe, accessible, and affordable transport for voluntary and community organisations in Selby District on a not-for-profit basis.

We are able to provide a volunteer driver or, for maximum flexibility and lowest cost, vehicles can be hired on a self-drive basis.

Drivers should hold a full driving licence, be over 25 years of age, and have at least two years driving experience.

All our vehicles are fully accessible for wheelchair users. For further information about the service please call 01757 291111

Would you like to help your community?

Community groups are in need of transport to be able to provide activities for their members. Many groups cannot provide these opportunities without a volunteer to drive the minibus.

To be a volunteer minibus driver, you need to be over 25 years old and hold a clean UK driving licence. You also need to have at least two years driving experience.

We will provide you with support and training.
