AIDS - Policy on

Introduction

The following outlines Caribbean Collectibles Creations' policy and procedures for interacting with employees who have been medically diagnosed with or who are suspected of having the AIDS (Acquired Immune Deficiency Syndrome) virus.

Purpose

The purpose of the AIDS policy is to reassure employees that AIDS is not spread through casual contact during normal work practices and to reduce unrealistic fears about contracting an AIDS virus-related condition. This policy also protects the legal right to work of employees who are diagnosed with an AIDS virus-related condition and provides guidelines for situations where infection with the AIDS virus is suspected. Our policy is to encourage sensitivity to and understanding for employees affected with the AIDS virus.

General policy

Employees who are diagnosed with an AIDS virus-related condition may continue to work if they are deemed medically able to work and can meet acceptable performance standards. We will provide reasonable performance standards and reasonable accommodation if necessary to enable these employees to continue working. We provide AIDS education for all employees to help them understand how the AIDS virus is spread and to reduce unrealistic fears of contracting an AIDS virus-related condition.

Medical overview

Medical experts on AIDS virus-related conditions have informed us that there is no known risk of AIDS transmission between an affected employee and other employees through either casual or close contact that occurs during normal work activities. The virus is very fragile and has been found to be transmitted only through intimate exchange of bodily fluids (for example, blood or blood-contaminated tissue fluids such as semen or vaginal fluid).

Application for Employment

Caribbean Collectibles Creations relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process and employment relationship. Any misrepresentations, falsifications or material omissions in any of this information or data may result in termination of employment.

Attendance/Hours of Work

Your timely attendance at work is crucial to making Caribbean Collectibles Creations business run smoothly. We must meet production requirements to satisfy our customers' demands. You need to do your part in achieving this goal, and one way is to maintain a good attendance record. Any absence or tardiness becomes a part of your employment record.

The expectation is that you are at your desk ready to work at the start of your shift. You have a 30-minute grace period from your scheduled shift start time to arrive at work.

- Punches one (1) minute past the scheduled start time (excluding the 30-minute grace period) are considered tardy and equals to one tardy.
- Two (2) tardiest equal one attendance occurrence.
- If an employee works less than four (4) hours the occurrence will be considered one (1) tardy.
- Four (4) missed punches equals one attendance occurrence.
- Two (2) attendance occurrences in a rolling three (3) month period will initiate a verbal warning.
- Three (3) attendance occurrences in a rolling three (3) month period will initiate a written counseling.
- Four (4) attendance occurrences in a rolling three (3) month period will initiate a 30-day Performance Improvement Plan or a final written counseling.

Attendance - Unscheduled Absences

An unscheduled absence is any absence from work without proper notification as defined in the employee handbook.

If an employee is absent due to illness (self or family member) and provides a doctor's note on the day they return to work, the absence will not count as an occurrence. If an employee is absent due to an auto accident and provides a copy of the accident report within three (3) weeks of the accident, the absence will not count as an occurrence.

One (1) unscheduled absence equals one (1) attendance occurrence.

Four (4) unscheduled attendance occurrences in a rolling 6-month period will result in verbal counseling.

Five (5) unscheduled attendance occurrences in a rolling 6-month period will result in written counseling.

Six (6) unscheduled attendance occurrences in a rolling 6-month period will result in a final written, counseling and a 30-day performance improvement plan.

The seventh unscheduled attendance occurrence following the issuance of a final written counseling and performance improvement plan will be cause for termination.

**Note — Counseling guidelines are outlined by Human Resources*

Attendance - Scheduled Work Shifts

The hours of operation are established based on operational necessity. Management reserves the right to change operating hours at any time according to operational needs. Each employee is required to comply with his/her scheduled work hours as determined by management. From time to time, it may be necessary for management to change the starting and completion time of a work shift to accommodate the needs of Caribbean Collectibles Creations. Employees will be required to work the hours assigned.

Attendance - Reduced Schedule

Operational necessity may require that employees' normal scheduled work hours be reduced in periods of low volume. In such instance, an employee may take accrued, but unused paid time off (PTO) or the employee may elect to take time off without pay. If the employee elects to take unpaid time; it should be noted on the employee's time record, so that PTO time is not automatically paid.

Attendance - Overtime

During high volume periods or emergency situations, employees may be asked to work extra shifts or work past normal scheduled work hours. Caribbean Collectibles Creations maintains the right to expect all employees to conform to such requests on a reasonable number of occasions. Overtime should be authorized by the respective supervisor.

Background Checks

In keeping with this corporation's Ethics and Compliance Program, background checks are required for all new employees at the time of hire. All applicants being made an offer of employment must authorize a background check or an offer may not be extended. **Any job offer made prior to the successful completion of the background check is conditional.** If any area of concern appears on the check, Human Resources, in conjunction with the manager, will make the determination as to whether employment may be granted. Employees who transfer from one of Caribbean Collectibles Creations' departments to another will undergo a background check at the time the transfer position is offered.

The employee is responsible for notifying their immediate supervisor, manager or director via written notification by 10:00 A.M. three business before his/her birthday. Failure to notify supervisor before this deadline will result in a loss of birthday pay. When the employee's birthday falls on a Weekend or Holiday the employee will receive pay for half of his/her full scheduled workday shift.

Breaks

The privilege of a 15-minute break for each four (4) hour period worked is observed by Caribbean Collectibles Creations. Breaks are considered work time and should be limited to fifteen minutes in duration. Breaks should be arranged through the immediate supervisor or designee and should not interfere with Caribbean Collectibles Creations' operations. Breaks may not be combined or used to extend meal periods. Breaks not taken by an employee are lost and may not be taken during a later work period.

Employees on break should not leave the work premises nor interfere with or distract other employees who are working. Breaks cannot be taken within an hour of arriving at or leaving work.

Caribbean Collectibles Creations' bulletin boards are located in strategic areas throughout the building. In addition, bulletin boards are maintained in each department for government guidelines and departmental information. Employees should review bulletin boards daily for pertinent Local, State and Federal working guidelines or departmental information. Bulletin boards are for official communications. Personal items or notices may not be posted.

It is important that Caribbean Collectibles Creations keep an accurate record of each employee's personal status. It is the employee's responsibility to promptly report any changes. *For example:* address, telephone number, marital status, dependent, licensure, or level of education to the Human Resources Department.

Should there be a problem regarding the employee's adherence to Caribbean Collectibles Creations' rules, the employee can be given three opportunities to change unwanted behavior, depending on the rule that was broken.

1ST STEP: A Verbal Warning of the errant behavior, including a reiteration of what Caribbean Collectibles Creations' rule regarding that behavior is. In addition, the employee will be advised of the consequences of further infractions of the rule in question. If no further problems occur with regard to the issue raised at the verbal warning stage, no further disciplinary action will be taken.

2ND STEP: If the problem persists, the employee will be given a Written Warning and Improvement Plan of the errant behavior, including a reiteration of what Caribbean Collectibles Creations' rule regarding that behavior is. In addition, the employee will be advised that continuation of the problem will lead to suspension without pay for a stated period of time. As before, the employee will be given an opportunity to change unwanted behavior and, if the behavior does not recur, no further disciplinary action will be taken.

Disciplinary Action - Investigative Suspension.

An investigative suspension is a period, not to exceed three (3) working days, during which time an employee is relieved of his or her job because of alleged serious misconduct. An employee may be placed on investigative suspension when it is necessary to make a full investigation to determine the facts of the case, as in a fighting, insubordination or theft incident. If after the investigation discharge is warranted, the employee shall not be paid for the period of investigative suspension—the discharge shall be effective on the date of the termination interview. If misconduct is determined, but not of a sufficiently serious nature to warrant discharge, the employee shall receive a warning notice and forfeit pay lost as a result of the investigative suspension and may be placed on disciplinary suspension. If no misconduct is determined, the employee shall return to work within the prescribed period and be paid for the time lost as a result of the investigative suspension.

Disciplinary Action - Discharge

When the employee is discharged as a result of a serious offense, or as the final step in an accumulation of infractions for which a warning notice or notices have been written, the employee will be discharged for cause instead of being given the option to resign, be laid off, or retire. Caribbean Collectibles Creations reserves the right to bypass the disciplinary steps and base its disciplinary action on the severity, frequency or combination of infractions when circumstances warrant immediate action.

Doctor's Excuses

There are several occasions when your supervisor may require you to provide a doctor's statement, such as when you request or use family leave or when you return from a period of disability. If you have established a pattern for excessive or abusive use of your leave, you may be required to provide a doctor's excuse at any time. *Example:* excessive use or abusive use is considered to be a pattern of recurring, short-term use. Your supervisor may also require you to provide a doctor's excuse if you have been placed on written notice that you have not followed proper procedures for requesting leave, or for inappropriate attendance or excessive leave.

If you fail to provide an appropriate doctor's statement that meets Caribbean Collectibles Creations' approval, your request for sick leave may be denied. For this reason, you should ensure that you provide an original document (instead of a photocopy) with a legible signature of your doctor (instead of initials or a stamped signature). The doctor's statement should include at a minimum the appropriate medical reasons for your absence, when the illness or disability began and when you can be expected to return to work.

Holidays - Paid

All full-time employees will receive holiday pay of eight straight time hours at their regular rate, provided the following conditions are satisfied.

Work a full shift on the employee's last scheduled work shift prior to the paid holiday. Work a full shift on the employee's first scheduled work shift following the holiday. Should the employee be unable to work either of these two days because of illness, proof of illness will be required in order to qualify for the paid holiday.

If a holiday occurs during the employee's vacation, the employee's vacation will be extended by the number of holidays falling during the vacation period or an equal number of vacation days will be carried forward for future use.

If any scheduled paid holiday falls on a Saturday, the holiday will usually be observed on the preceding Friday. If the holiday falls on a Sunday, the following Monday will usually be observed as the holiday.

Holiday pay will not be paid if:

- The employee has been on the payroll for less than 90 days.
- The employee is on lay-off status.
- The employee is a temporary or seasonal employee.
- The employee is on leave of absence when the holiday occurs.

- The employee is requested to work during a paid holiday and the employee refuses to do so.

Employees who are requested to work during a paid holiday will receive holiday pay plus regular pay.

Holidays - Religious

Caribbean Collectibles Creations recognizes that there may be religious holidays (other than those already designated as holidays) that employees would like to observe. It may be possible to arrange these holidays as scheduled days off, authorized absences without pay or personal time off. Requests for time off to observe religious holidays must be approved.

Immigration Law Compliance

Caribbean Collectibles Creations is committed to employing only United States citizens and aliens authorized to work in the United States and do not unlawfully discriminate on the basis of citizenship and national origin.

In compliance with the Immigration Reform and Control Act of 1986, each new employee, as a condition of employment, must complete the Employment Eligibility Form 1-9 and present documentation establishing identity and employment eligibility. Former employees who are rehired must also complete the form if they have not completed a 1-9 with the corporation within the past three years, or if their previous 1-9 is no longer retained or valid. Employees are required to file a new 1-9 in the event of a name change. Contact Human Resources for more information.

Inspection of Parcels and Vehicles

Employees are discouraged from bringing personal items to work. The corporation reserves the right to search and/or require employees to allow searches of parcels, bags (including handbags and briefcases) and/or other personal items, and/or personal vehicles brought onto the corporation's property when reasonable suspicion of a violation of the corporation policy exists.

Job Posting

It is the policy of the corporation that positions available within the organization will be filled by the promotion or transfer of current qualified employees whenever possible. In most cases, the corporation will inform employees about the existence of such positions through job posting.

Employees should be in their present position for a minimum of six months to be eligible to apply for a posted position. If an employee is currently engaged in a performance improvement plan or in the suspension stage within the previous 12 months, he/she is not eligible to apply for a posted position.

Jury Duty

Regular full-time non-exempt employees will be paid their base hourly rates for time off because of required jury duty. Regular full-time exempt employees will receive their regular salaries during the weeks in which they have required jury duty.

Advance Notice

Employees must give advance notice of the need for time off for jury duty. A copy of the summons should accompany the request.

Return to Work

If the employee is dismissed from jury duty before the end of the workday, they must report to work for instructions on whether to return to work for the rest of the workday.

LEAVE OF ABSENCES

Time and Leave Policy

The summaries contained in this site are not intended to be all inclusive. They are intended to summarize the major provisions of Caribbean Collectibles Creations' rules governing leave, but do not cover all the nuances of each provision. Annual leave is available for planned vacations or for occasional time off to take care of personal business. You should request annual leave time as early as possible so that your supervisor can coordinate your request with other absences as well as plan for the least disruption in work as possible. Be sure to follow the corporation's procedures and policies for requesting and using annual leave.

Employee Benefit Participation While on Leave

An employee on an approved leave of absence may continue group insurance coverage during the leave (not to exceed 366 continuous days). In order to ensure that benefits are continued through an unpaid Leave of Absence, the employee and manager should submit a Leave Request Form indicating the date the unpaid leave will begin. The employee will be notified regarding premium payments.

A special note: If you're on approved annual leave and become ill for three days or longer, you may request that the AL be changed to SL. But you must provide your department with satisfactory written evidence that you were ill. The request must be made within 2 weeks after returning to work.

Leave Policy - Bereavement/Funeral

In the event of a death in a regular full-time and regular part-time employee's immediate family, he/she will be allowed time off with pay of up to 3 days. For purposes of this policy, the immediate family is defined as Father, Stepfather, Father-in-law, Husband, Mother, Stepmother, Mother-in-law, Wife, Significant Other, Sister, Stepsister, Brother, Stepbrother, Child, Stepchild, Foster child, or Common Law Spouse/Partner. Any misrepresentation of an immediate family can result in termination.

An employee who is not eligible for paid bereavement leave may use available PTO time or be given time off without pay for a death in the family on a case-by-case basis.

Leave Policy - Contingent Leave Without Pay

A contingent leave of absence without pays for up to 12 months is available with approval. Any request for contingent leave should be made in writing. Your ability to return to your former job is not guaranteed. If your leave is approved, you will be notified of the approval in writing and the notice will contain the terms and conditions of the approval.

Leave Policy – *Conversion of accrued time.*

At the end of each calendar year, between November 30 and December 31, you have the opportunity to convert some of your sick leave to personal leave. If you have over 120 hours of sick leave, you can convert up to 24 hours in excess of 120 to personal leave. Once you convert sick leave to personal leave, it cannot be reversed.

Your personal leave then becomes available to use during the following calendar year. If you don't use it, you lose it. Personal leave can be used for any reason you wish. Although you must get approval to use personal leave, your supervisor will make every reasonable effort to accommodate your request to use it. Normally, you should request the use of personal leave at least three business days in advance of needing the leave.

Leave Policy - *Educational Leave*

Consideration will be given to an employee requesting a leave of absence to continue his/her education if the employee has expressed full intention of returning to Caribbean Collectibles Creations' employment.

Eligibility - Full-time regular employees with at least one year of continuous service who seek to enroll as full-time students in a course of study that would otherwise conflict with their normal work schedule. Enrollment in part-time, night or weekend courses will not support eligibility, unless it is part of a regular schedule.

Approval - A written request for educational leave should be submitted by the employee to the supervisor on the appropriate Leave of Absence Request form, setting forth the dates of the leave requested, the course of study and the educational institution at which the study will take place. Approval for an educational leave is based on the needs of the corporation and the appropriateness of the course of study to Caribbean Collectibles Creations' operations.

Duration - The leave should not exceed 366 continuous days.

Leave Policy- *Family Leave*

After you have been employed with Caribbean Collectibles Creations for 12 months, you become eligible for Family Leave, provided you have actually worked 2080 hours-fulltime employees and 1040 hours part-time employees during the 12 months immediately preceding the start of the leave.

Family leave can be used for the following reasons: The birth of a child; The placement of a child for adoption or foster care; Caring for your child, parent, or spouse who has a serious health condition; A personal health condition; The length of family leave is determined by the medical facts for which the leave is needed.

Family leave is leave without pay. But if you have paid leave available (sick leave, annual leave, personal leave, compensatory time), you can use your paid leave to cover your income during the absence. Caribbean Collectibles Creations may also require that you use your paid leave while out for family leave. If you anticipate needing family leave, it's important to give at least 30 days' notice to your department. Emergency needs would be an exception.

Leave Policy - Medical Leave - general.

A medical leave of absence may be granted to a full-time employee with at least one year of continuous service. Any accrued paid benefit time should run concurrently with the leave of absence. There is no minimum service requirement for eligibility for a leave of absence occasioned by a pregnancy-related disability or for a disability arising out of an on-the-job injury or illness.

Approval - A written request for this leave should be submitted by the employee to the supervisor on the appropriate Leave of Absence Request form. A physician's certification will be required. The department head may approve a medical leave of absence based on the circumstances of the request.

Duration - Medical leave, if granted, is granted for the duration of the period of disability, stated by the law.

Leave Policy - Military Leave

Employees who must be absent for active or inactive military duty (e.g., Reserves or National Guard summer camps, annual cruises, weekend drills, attendance at military schools) will be granted, upon request, a leave of absence without pay. An employee may use PTO for annual military training duty obligations upon written request.

Eligibility - All employees who engage in active or inactive military duty in the armed forces of the United States (including the National Guard).

Duration - Leave will be granted for the period of duty.

Leave Policy - Personal Leave

A personal leave of absence without pay may be granted to an employee at the discretion of the company. A personal leave of absence is defined as an absence of two weeks or longer. It is not our general policy to grant personal leaves of absence and such leaves will be granted only under unusual circumstances. A personal leave of absence is not available instead of medical leave.

The granting of such a leave depends on the review of the merits of each case, including the effect the employee's absence will have on the workload of the other employees. Probationary employees are not generally eligible for leaves of absence. An employee must have one year of continuous employment before such a leave will be considered.

Salary and benefits are not payable to an employee while the employee is on a personal leave of absence, with the exception of company-paid term life insurance that is continued for eligible employees for one year of a leave of absence. Health insurance may be continued if the employee pays the full premium at the group rate. Although employees do not accrue benefits while on leave, those benefits accrued up to the time the employee started the leave will be retained.

The employee's exact position, tour of duty, or work area may not be guaranteed upon return from a personal leave of absence; however, all efforts will be made to place the employee in the first available similar job with similar pay. The employee's date of initial employment will be adjusted to reflect the time spent on personal leave.

It is the employee's responsibility to return to work on the date the leave of absence expires. Should the employee fail to return and fail to notify the Human Resources Department of a request for an extension, we will assume that the employee does not intend to rejoin the company and will consider the employee to have resigned from employment. A request for an extension of a leave of absence must be in writing and must be received at least five working days prior to the expiration of a leave.

A personal leave of absence without pay may be approved for a variety of reasons. A department head may allow an employee personal leave for situations that in the management's view require it.

Eligibility - An approved personal leave of absence may be granted to regular full-time employees with at least one year of continuous service.

Approval - A written request for a personal leave of absence should be submitted on the appropriate Leave of Absence Request form by the employee to the supervisor prior to the commencement of the leave. Approval will be granted by the department head based on the circumstances surrounding the request.

Duration - The leave may not exceed 366 continuous days.

Leave Policy - Sick

Illness pay will be based on a regular eight-hour day at straight time and at the employee's base rate. An illness absence of less than three hours in a day will not be considered for payment. Saturdays, Sundays, daily overtime hours, paid holidays, and paid vacation time are excluded as time for which payment will be made under this program.

Weekly insurance benefits will continue to be paid commencing with the first day of certified disability due to accidents and the fourth day due to illness. Thus, in accident and illness cases, the insurance benefit will be paid rather than the paid illness allowance, and any unused illness allowance will be available for use later in the year as needed.

In addition to illness, sick leave may also be granted for medical, dental, or optical examinations or when a member of your household requires your personal care and attention due to illness.

Permanent part-time employees are entitled to sick leave as earned on a pro rata basis. No sick leave shall accumulate for seasonal or temporary employees. All sick leave payments are to be approved by your

immediate supervisor. Thus, any employee who is ill is responsible for reporting his or her absence to the appropriate person within one hour after his or her designated time for reporting to work.

While the company pays you for authorized sick days, we expect you to be honest with us in taking days off only when you are actually ill. Any abuse of this benefit will be taken into account in evaluations of your performance. The company reserves the right to require a statement from your doctor if you are ill for 3 or more consecutive days.

Leave Policy *Termination of employment.*

When termination of employment occurs, no payment for sick leave will be made.

Leave Policy - Pregnancy/Maternity

To be eligible for a pregnancy leave of absence, the employee must be a non-temporary, full-time employee. The maximum length of pregnancy leave allowed is six months after the birth of the child/children. If the employee needs a longer leave due to medical complications, the employee should notify Caribbean Collectibles Creations as soon as possible. The additional leave will be treated the same as any other medical or disability leave.

Leave Policy - Pregnancy/Maternity - Written Requests

A written request for pregnancy leave must be submitted within a reasonable time. The employee must submit a written doctor's statement, indicating the anticipated delivery date. The employee should inform Caribbean Collectibles Creations of the expected duration of her pregnancy leave so that Caribbean Collectibles Creations may plan around the absence efficiently until her return.

Leave Policy - Pregnancy/Maternity Transfers

An employee requesting pregnancy leave may also ask for a transfer to another less strenuous or less hazardous position if so desired. The request must be in writing and must state the reason for the transfer.

Leave Policy - Pregnancy/Maternity - Medical Incapacity

At her option, the employee may continue to work up to the delivery date, depending upon the employee's medical circumstances and the nature of the employee's job. In the event the employee is physically incapable of performing her regular job duties at any time during her pregnancy, the employee may request that the employee be placed on pregnancy leave. An advance notice of a minimum of one (1) week should be given, accompanied by a statement from the employee's physician attesting to the employee's incapacitation.

Leave Policy - Regular Leave Without Pay

A regular leave of absence without pays for up to 12 months is available with approval. You must request this type of leave in writing. If approved, you can return to your former position, or a position of equal grade and pay (provided you return within the terms of the leave) if such a position is available within Caribbean Collectibles Creations. If your leave is approved, you will be notified of the approval in writing and the notice will contain the terms and conditions of the approval.

**For more information about your Leave Policy, contact Human Resources.*

Licensure and Registration

All employees who perform work that requires licensure, registration or credentialing by any regulatory agency are held responsible for presenting those credentials during the pre-placement process and for maintaining those credentials after being hired. Failure to maintain credentials, falsification or misrepresentation of credentials may result in a change of position or termination. It is the responsibility of the employee to provide proof of licensure/registration to appropriate corporation personnel when received and/or reviewed.

Meal Periods

Non-exempt employees should not work more than six hours without taking a thirty-minute meal period. The meal period is the employee's time and is not compensable. Non-exempt employees should clock in and out when leaving the premises. Meals are to be eaten in non-work areas provided for that purpose. State laws which may be in conflict with the above will supersede when the benefit to the employee is greater.

Mediation

Mediation is an informal process. Mediation is quick, inexpensive, and confidential; settlement is voluntary, non-adversarial and focuses on resolution so both parties can move into the future.

When to use

Few issues cannot be addressed through mediation. Any conflict which arises as a natural result of people working together can be resolved with mediation.

Problem Solving Procedure

Step One - The employee should discuss the problem with his/her immediate supervisor.

Step Two - If resolution does not occur within a reasonable time, the problem should be submitted in writing to the employee's corporation Director or Manager. The employee should identify why he/she feels the action taken was inappropriate and what action he/she feels should be taken. The Human Resources Director is available to assist employees in expressing their concerns in writing.

Step Three - If resolution is not initiated in Step Two within a reasonable time, the problem should be presented in writing to the Regional Director who will consult with the Senior Management of the corporation to take appropriate action.

Grievance Hearing

A grievance hearing provides a forum for an employee (grievant) and supervisor (respondent), or their representatives, to fully explain their positions in a grievance. A Certified Grievance Hearing Officer conducts the hearing, prepares a written report with recommendations to assist the agency in rendering a final decision. Below is a guide to the grievant and respondent (the parties) to help them prepare for the grievance hearing. The Hearing Officer presides over the hearing and has the authority to make the following determinations: The admissibility and relevancy of testimony and evidence (documents/exhibits). The need to recall witnesses. Whether information/testimony becomes cumulative or repetitious. The Hearing Officer is authorized to tape record the hearing. No other taping is authorized. Both the grievant and the respondent must be present at the grievance hearing. However, you may also elect to have another employee, who has been approved by the department/agency, represent your position at the hearing (see personnel office or grievance policy for specific procedures). The hearing is limited to the grievant, respondent, representatives (if any), witnesses only when testifying, and others that the hearing officer may deem relevant. Spectators are not permitted. Generally, you are allowed 2½ hours each for the presentation of testimony, documents, and witnesses. The Hearing Officer may modify this time frame as deemed appropriate.

Opening Statements: You should prepare a brief opening statement that summarizes what you will show through your evidence and your witnesses' testimony. It may be helpful to prepare a written statement that you can read.

Witnesses: Prepare a list of your witnesses in order that you plan to call them. The parties are expected to exchange their lists prior to the hearing. The list should include the witness's name, job title, and a brief statement of what they have to say about the grievance issue(s). You are responsible for notifying your witnesses of the date, time, and location of the grievance hearing and for assuring that they are available when called.

Questioning of Witnesses: Testimony from witnesses is given by answering specific questions from the parties. You should prepare, in advance, a list of questions to ask your witnesses in order to present your case. It's a good idea to first lay a foundation by asking a series of questions about the witness.

Affidavits: Opposing parties cannot question (cross examine) an affidavit. For this reason, affidavits do not carry the same weight as personal testimony. The hearing officer will determine whether to allow affidavits to be submitted, and if they are allowed, will determine how much weight to give them when preparing the report/recommendation. Affidavits should be dated, signed, witnessed, and notarized.

Exhibits: Documents that are introduced (i.e., a written reprimand; a time sheet, a policy, a letter, a memo, a note, a job description, etc.) are referred to as exhibits. You should prepare in advance a list of exhibits in the order of which they will be presented. The parties are also expected to exchange the lists prior to the hearing. The actual documents/exhibits will be exchanged during the hearing. The following is an example of how these lists should be prepared.

Medical Examination

New employees may be required to undergo a medical examination. Caribbean Collectibles Creations will arrange for the examination and will schedule an appointment. Caribbean Collectibles Creations retains the option to require medical examination (including drug and alcohol screening procedures) of an employee as required by state or local law or as deemed appropriate by the corporation.

Orientation

All employees will be held to the same performance standards and will be subject to Caribbean Collectibles Creations' scheduling demands, regardless of any existing outside work commitments.

Outside employment that constitutes a conflict of interest is strictly prohibited. An employee may not receive any income or material gain from individuals outside the corporation for material produced or services rendered while performing their job in the corporation.

Any employee who holds a management position must disclose any other employment, including consulting arrangements, and obtain prior approval from senior management.

Overtime

In order for its employees to have sufficient relief and rest, the corporation discourages work in excess of an employee's regular schedule. It may be necessary for employees to work some hours in excess of their regular schedule, although overtime must be approved by your immediate supervisor. Non-exempt, hourly employees will be paid overtime premium in accordance with applicable state or federal laws.

Parking

Employees may be restricted to parking only in designated areas as required by the corporation. Employees are not allowed to park in areas for physically challenged individuals or visitors.

Pay Period

The 14-day pay period begins on Sunday at 12:00 am and ends at midnight on the 14th day (Saturday). Payday schedules for the corporation are available in Human Resources.

Payroll Deductions

The Payroll Department will deduct from employee earnings only those deductions required by law (social security, withholding tax, etc.) plus employee authorized contributions such as United Way, premium for insurance benefits, 401K, and Employee Stock Purchase Plan. Other voluntary deductions are prohibited unless specifically authorized by the employee and allowed by state and local law.

Performance Review

It is the policy of the corporation to evaluate employee performance on a continuing basis and to do so more formally at periodic intervals. The first such evaluation may occur during the first 90 days of employment with annual reviews thereafter. The purpose of these more formal evaluations is to allow supervisors and employees to communicate concerning the employee's performance and job-related behaviors compared to behaviors that are desired and expected.

When a former employee is re-hired within 90 days of the termination date, the employee will not experience a break in service. Therefore, his/her insurance will be reinstated on the first of the following month (as applicable). The employee will be reinstated to prior balance; PTO accrual will be based on original hire date; there is no disruption in retirement vesting. If more than 90 days have expired since the employee's separation, he/she will follow the same time schedule for benefit eligibility and accrual rates as a new hire. Termination

Since employment at Caribbean Collectibles Creations is based upon continuing mutual consent, either the employee or the employer may terminate employment at any time with or without cause or notice. It is important for the employee's record that termination is brought about properly.

There are four main types of termination procedures.

Resignation - An employee who terminates service with the corporation is requested to give the appropriate written notice to the immediate supervisor - two weeks for a non-exempt employee, four weeks for an exempt employee. This will allow the department head to arrange for a replacement. An employee who resigns with the requested notice may be favorably considered for re-employment.

Resignation without notice - This is the term applied when an employee leaves without notice or with less than the requested notice. Employees who fail to give adequate notice of resignation may be ineligible for re-hire.

Staff Reduction - This term refers to the termination of employment by the corporation because of lack of work or reorganization.

Discharge - An involuntary termination initiated by the corporation. When employment is terminated, regardless of the circumstances, the employee will be paid for all earned and unused PTO if employed 90 days or longer. Medical and dental coverage will remain in effect through the end of the month in which employment was terminated. LTD coverage ends at midnight on the date of termination. Life insurance may be converted, but the employee must contact the Administrator for details.

Theft

Employees are urged to be alert to the entry of unauthorized persons in any area. Inquiries should be made of anyone who does not appear to be an employee (person without a visible employee badge) or even an employee who might be outside his/her regular working area. Assistance should be offered in directing the person to the appropriate destination or alerting security.

The cooperation of all employees is essential if the problem of theft is to be minimized. Be sure supplies and equipment are stored in approved areas and that maximum security measures are observed. Employees should not bring excessive amounts of money or valuables with them to work. The corporation cannot be responsible for loss or theft of personal items. Caribbean Collectibles Creations property may not be removed from the premises except by written authorization in advance from the office of the corporation COO or his/her designer.

Time Records

The following guidelines are not to be considered all inclusive. Each employee is expected to punch his/her own timecard or complete his/her own time sheet. He/she may never punch another employee's card or allow another employee to punch his/her card. Each employee is expected to follow his/her work schedule. Employees should not report to work earlier than is normally needed to reach their workstations in a timely manner after clocking in. At the conclusion of the work shift, employees must leave work and clock out in the same reasonable time frame. Any deviation should be specifically approved by the department head or supervisor.

An employee should not leave the general work area except for meal periods, which are thirty minutes in duration, and 15-minute breaks, which may be taken if the workload permits. If an employee expects to be gone more than forty-five minutes, the supervisor or department head must specifically approve the time clock entry.

Training programs

As part of its commitment to preventing workplace violence, the company has established training programs for all employees. Training will be included as part of your orientation. Thereafter, you will be scheduled for annual refresher training during the month that you initially joined the business.

Please be advised that training is mandatory, and attendance will be taken. If you fail to attend training or make-up sessions, you will be subject to suspension without pay until training is completed.

Tuition Reimbursement

A tuition reimbursement plan is available to all full-time and part-time benefits eligible employees who have completed one year of service and who wish to obtain additional, formal job-related education during their period of employment. Employees who have been suspended in the previous six months may not participate in the Tuition Reimbursement Program. Reimbursement will include tuition expenses only for accredited programs and does not include workshops, seminars, books and other fees. Participants must be employed at the time of payment in order to receive reimbursement.

- 6-10 years of service: an employee earns 15 days per year.
- 10+ years of service: an employee earns 20 days per year.

Vacation - Holiday or Illness During

When a holiday occurs during the employee's vacation time, the employee will still receive pay for the holiday in addition to the employee's vacation pay or the employee may select another day off.

If the employee is hospitalized while on vacation, the time from the date of the employee's hospitalization until the employee's doctor releases the employee may, at the employee's option, be charged against the employee's short term disability benefits, rather than the employee's vacation time. If this happens, the employee must notify Caribbean Collectibles Creations. If the employee becomes ill while on vacation, but the employee is not hospitalized, the employee's absence is charged against vacation time.

Vacation - Part-Time Accrual

Part-time employees may be eligible for vacation accrual on a pro-rata basis based upon their regular workweek. Thus, under the accrual schedule above, a regular part-time employee who regularly works 20 hours per week could earn.

- 1-5 years of service: an employee earns 5 days per year.
- 6-10 years of service: an employee earns 7.5 days per year.
- 10+ years of service: an employee earns 10 days per year.

Vacation must be taken during the calendar year at times convenient to you and your supervisor.

Vacation - Pay

Vacation pay is the employee's regular rate of pay, excluding overtime or holiday premiums. If the employee's regular rate of pay varies from week to week, the employee's vacation pay will equal the employee's average weekly hours or scheduled hours in the previous calendar quarter not to exceed 40 hours. Pay will not be granted in lieu of vacation time not taken.

Vacation - Termination and Vacation Pay

When employment ends for any reason, vacation time earned but not taken by the employee will be included in the employee's final paycheck. At the same time, vacation time taken in advance will be deducted from the final paycheck.

Violence/Terroristic acts in the Workplace Prevention Policy

Zero tolerance

This company has a policy of zero tolerance for violence. If you engage in any violence in the workplace, or threaten violence in the workplace, your employment will be terminated immediately for cause. No talk of violence or jokes about violence will be tolerated.

"Violence" includes physically harming another, shoving, pushing, harassing, intimidating, coercing, brandishing weapons, and threatening or talking of engaging in those activities. It is the intent of this policy to ensure that everyone associated with this business, including employees and customers, never feels threatened by any employee's actions or conduct.

Inspections

Desks, telephones, and computers are the property of the business. We reserve the right to enter or inspect your work area including, but not limited to, desks and computer storage disks, with or without notice. The fax, copier, and mail systems, including e-mail, are intended for business use. Personal business should not be conducted through these systems. Under conditions approved by management, telephone conversations may be monitored, and voice mail messages may be retrieved in the process of monitoring customer service. Any private conversations overheard during such monitoring, or private messages retrieved, that constitute threats against other individuals can and will be used as the basis for termination for cause.

Reporting violence

It is everyone's business to prevent violence in the workplace. You can help by reporting what you see in the workplace that could indicate that a co-worker is in trouble. You are in a better position than management to know what is happening with those you work with. You are encouraged to report any incident that may involve a violation of any of the company's policies that are designed to provide a comfortable workplace environment. Concerns may be presented to your supervisor. All reports will be investigated, and information will be kept confidential.

Violence prevention team

We have created a violence prevention team to create and implement our workplace violence prevention program. The team will also handle the consequences of any incidents of violence that we experience, providing assistance to employees and information to the media. The team will take the steps necessary to continue or resume business. We believe that a multidisciplinary approach is best suited to handle workplace violence problems. If you have suggestions for ways to improve safety and security at work, please pass them along to a team member or leave a suggestion in any one of their mailboxes.

Incident management

In the event of a major workplace incident that affects, or has the potential to affect, the mental health of our workforce, we will provide initial counseling and support services to you and your immediate family members.

As the crisis passes and support systems are put into place for individuals affected by the incident, the company will make every effort to return to normal business operations. A reasonable effort will be made to notify employees, customers, stockholders, and others who need to know of the status of business operations directly whenever possible. In cases where direct contact is not possible or practical, an effort will be made to communicate through the news media and other available resources.

Workplace Security Measures

In an effort to fulfill this commitment to a safe work environment for employees, customers, and visitors, a few simple rules have been created. These are: Access to the company's property is limited to those with a legitimate business interest. All employees and employee vehicles entering the property must display company identification. All visitors and visitor vehicles must register and display identification while on the property.

Weapons Banned- ALL

The company specifically prohibits the possession of weapons by any employee while on company property. This ban includes keeping or transporting a weapon in a vehicle in a parking area, whether public or private. Employees are also prohibited from carrying a weapon while performing services off the company's business premises. Weapons include guns, knives, explosives, and other items with the potential to inflict harm. Appropriate disciplinary action, up to and including termination, will be taken against any employee who violates this policy.

Voting Time

Employees are encouraged to fulfill their civic responsibilities by voting in elections. Generally, employees can find time to vote either before or after work. If you are not able to vote due to your work schedule, your supervisor may grant up to 2 hours of paid time off to vote. You should request time off from your supervisor as soon as possible before Election Day. Advance notice is required so that the time off can be scheduled at the beginning or end of the work shift, whichever is least disruptive to the work schedule.

Covered Elections

This time off to vote policy applies to [types of elections—e.g., federal, state, local] elections.

Weather Emergencies

Caribbean Collectibles Creations must continue to operate during periods of bad weather. Thus, the need for employees to be on the job during such emergencies is of paramount importance. You are expected to make every safe effort to report for work. If you do not report for work when scheduled during a weather emergency, you will be considered absent.

What happens if severe weather conditions or other emergencies prevent you from getting to work? Keep in mind that weather conditions or natural disasters (such as snow and ice, floods) can affect some areas while not affecting others. Therefore, if you are directly affected by severe weather conditions or other emergencies, Caribbean Collectibles Creations may choose any of the following options:

- Allow you to make up the time lost provided that you make it up within 15 workdays after the absence.
- Allow you to charge the absence to accrued compensatory time, personal leave, or annual leave.
- Place you on leave without pay if neither of the previous options is available.

If your manager or department head believes that conditions warrant closing your office or Caribbean Collectibles Creations, he/she may excuse those employees directly affected by the conditions for whatever time may be necessary. This excused time is without loss of pay or leave. If you worked additional time because of an office or the corporation closing, you would be compensated through compensatory time as it applies.

Work-Related Injuries

Injuries/Disabilities Incurred in the Line of Duty

This type of leave is available to full-time employees who are injured or disabled by a willful act of violence committed by a person other than a coworker. Instead of using your sick or annual leave, you can receive this paid leave for up to 180 working days for any single incident.

Workers' Compensation

Employees are covered against loss of earnings due to injuries on the job by a Worker's Compensation insurance policy or Employee Health and Safety Program. In all instances, the employees must report any injury, no matter how slight, that occurs while on the job to the immediate supervisor and to the Human Resources Department (and the Emergency Department of Caribbean Collectibles Creations if it is of a serious nature). Failure to do so may jeopardize eligibility for Worker's Compensation or coverage under Employee Health and Safety.

For injuries or diseases covered by Workers' Compensation, if you wish, you can be covered by your sick and annual leave instead of receiving workers' compensation benefits (which are approximately 60% of your pay). But you must elect to do so in writing.

**See the Human Resources department for additional information.*
