ETERNAL LIFE

What happens after we die? Most religions and philosophies provide some notion of this, but we are confounded by the mystery of it all. Today's readings give us a glimpse through the faith of martyrs and in the words of Jesus. In the Old Testament reading, the Maccabee brothers assert with total confidence that the God who gave them life would also raise them to eternal life. This was not universally accepted in ancient Israel. The Sadducees, who denied any resurrection of the dead, try to trap Jesus with a hypothetical riddle. Jesus, known for turning such things around, dismisses their unbelief, noting that even Moses knew that all are alive in God. Saint Paul tells the Thessalonians that we live in everlasting encouragement and hope, and Psalm 17 echoes this with words of faith that we will see God's face, waking in God's loving presence.
