

SCHABEL TECH

POOL AGGREGATES

SchabelTech Pool Aggregates are the right choice for your next pool installation. Our *Made in America* pool aggregate is **washed, dried, demagnetized** and packaged in 50 pound bags. The product offers consistent gradation allowing for better mixing, troweling and a smooth finish. When it is time to place your next truckload or less than truckload order for pool aggregates, call SchabelTech at 440-462-1500 and talk to a team member today!
