#11-1630W Roofing Granules Technical Data Sheet

v23040103

Product Description

SchabelTech #11-1630W Roofing Granules have inherent natural beauty as a high quality, consistent and clean aggregate. They come dried and ready for use in convenient to handle 50# bags for worker safety and ease of use on the job site. This product has exceptional durability and provides both quality and value as a roofing granule.

- Consistent Gradation / Screening
- Consistent and Natural Off-white Coloring
- Dried for Efficient Application
- Lower Bulk Density than Traditional Granules (90 pcf vs 93-99 pcf)
- 50# Bags Engineered with Worker Safety in Mind
