# **SNOHOMISH COUNTY WESTERN GAMES ASSOCIATION, INC.**

Snohomish County Western Games Association (SCWGA) dedicates this book to the promotion of patterned horse racing. This book outlines the rules by which patterned racing is run and SCWGA also recognizes the need to provide an example for new riders. Each and every rider who competes is setting an example for this fun and exciting sport. As the times run in each event, decrease each year, and new riders join the sport, it is important to mention the fact that, as in other horse activities, the patterned horse and rider is a specialist who requires years of training. It is the responsibility of every competitor to set a proper example, not only to other games riders but also for the spectators and potential competitors watching in the stands. Please use every courtesy and thoughtfulness in the treatment of your horses and other competitors. Do your part to keep our sport fun for everyone.

## **THE O-MOK-SEE PRAYER**

---

Dear Lord, we pause, mindful of the many blessings you have lain along our path. We don't ask for special favors, nor do we ask that the blessings granted our opponents be diminished. Instead, we thank you for allowing us to experience friendship in one of its truest forms. To be able to gather with friends and loved ones to pay tribute to the great sport of O-Mok-See.

We ask that you guide us up the greatest lane of all, and that you as our final judge will allow us to ride once more, where the sun never sets and where happiness rides beside us and never behind.

For this dear Lord, we thank you.
