COMPANY SUMMARY

H & H Professional Cleaning provides commercial and post-construction cleaning services across North Carolina, partnering with property managers, general contractors, developers, and facility operators to deliver inspection-ready, compliance-aligned results that support Certificate of Occupancy (CO) approvals, punch-list clearance, and project closeout deadlines.

We specialize in post-construction rough, final, and touch-up cleaning, commercial office and facility cleaning, and contracted maintenance programs structured to meet turnover schedules, tenant occupancy requirements, and operational continuity. Our team is experienced in active construction sites and multi-tenant environments, operating under OSHA-informed site safety protocols, coordinating around trades, and delivering consistent, documented results ready for walkthroughs, inspections, and handoff.
