NIGHT OF WORSHIP

July 10

St. Mary's Lutheran Church

2001 80th street Kenosha, WI

Free Meal at 5:30!

Worship at 6:30!!!

Condensed Minutes from May 13, 2019 Meeting

Complete minutes are available by request.

- Two representatives from the Frank Zeidler Center for Public Discussion (Zeidler Center) were present to discuss beginning the process of partnering with them. They will be reaching out to congregation members to invite them to be on the Planning Committee. Together, they will facilitate open, small group discussions with our congregation about the past, present, and future of Lord of Life's mission and ministry.
- Offering continues to be below budget, yet our Staff and Ministry leads are doing their best to keep expenses to a minimum. It was necessary to transfer funds from the Scrip account to our checking account to cover payroll and bills.
- A Boy Scout offshoot called Venturing Crew that meets here once per month requested to store a trailer on our property. Council approved this request and the Property Team will determine the best place for it to be parked.
- The response to the congregational survey regarding our contemporary evening worship gathering from Saturday to Sunday was affirming of the change. Council voted and approved the transition beginning Sunday, June 2nd. We will assess the benefits vs. consequences of this change in August.
- Council approved the appointments of Sue Schmidt-Decker, Kian Arnold and Angie Wollschlager as delegates who will attend Synod Assembly; *For Everyone Born, A Place at the Table*, May 31 – June 1, 2019 at the Italian Community Center in Milwaukee.
- Sue Schmidt-Decker was appointed to serve as intentional observer at the ELCA Churchwide Assembly in August.

4 PRAYERS FOR OUR YOUTH

Lord of Life Youth are Heading to Portland!

At the end of June, nine youth and three chaperones are heading Portland, OR! The Northwest is an incredible place...much different than the Midwest. Portland is an unique city within the Northwest, ideally located an hour from the rugged coast and an hour from Mount Hood. The city is eccentric with lots of “weird” places to see, at which to eat, and it has a huge focus on environmental and social justice. Urban gardens have sprung up in the city, as people seeks to live more sustainably. With a large homeless, refugee, and immigrant population, there is also a lot of opportunity to experience community service in ways not found here in Southeastern Wisconsin. Check out our plan for the trip:

Touring the City of Portland: Breakfast at the famous **Voodoo Donuts**, trying some of vegan dishes from the biggest food truck “pod” in the country, exploring the beautiful **Rose Garden and Japanese Gardens**, relaxing over a book at **Powell’s City of Books**...there’s so much to see and do in Portland.

Building Relationships with Refugee Children: **4 Worlds United Soccer Alliance** mission is to enhance the lives of 4th-world children by providing opportunities that improve soccer skills, build confidence, support their education, and unite communities and cultures. We’ll spend an evening or two playing soccer and hanging out with these amazing kids!

Learning About & Working in Community Gardens: **Focus on Youth** is a garden that provides hands-on-learning, sustainable gardening, healthy cooking classes, science and photography classes, and mentoring for over 10,000 at-risk and homeless youth.

With the launch of a comprehensive farm-to-school initiative in the fall of 2013, the **Serendipity Center** has a school garden, **Growing Minds Garden**, that is nearly a half-acre in size and devoted to horticultural therapy, science education, and organic vegetable production for their school community.

Exploring the Beauty of God’s Creation: In a hike through the **Multnomah Falls trails**, we will encounter a number of different waterfalls and breathtaking views of the **Columbia Gorge**. We will also make our way down to the **Oregon Coast**, spending time trekking the rugged shoreline and relaxing on the beach.

We want our faith family at Lord of Life to know about what it is that we will be doing, so that you can hold us in prayer before and during our trip. **If you would like to offer a financial contribution to the cost of the Mission Trip, simply specify that your gift is to go to the High School Summer Mission Trip.** Thank you for your contribution, your support, and your prayers as we seek to experience God in and through the people we meet and places we go in Portland. We pray that we can be the presence of God in their lives, as well.

Look for the opportunity to hear all about the trip once we return...can’t wait to tell our family and friends all about our experience!

5 FROM THE PARISH NURSE

Dear friends,

Economic instability (e.g., increased unemployment, school loans, medical bills, foreclosures, loss of investments and other financial distress) can result in a huge number of negative health effects - both physical and mental. It can be particularly devastating to your emotional and mental well-being. Although each of us is affected differently by economic troubles, these problems can add tremendous stress, which in turn can significantly increase the risk for developing such problems:

- Depression
- Anxiety
- Compulsive Behaviors (over-eating, excessive gambling, spending, hoarding etc.)
- Substance Abuse

It is important to be aware of signs that financial problems may be unfavorably affecting your emotional or mental wellbeing—or that of someone you care about. These signs include:

- Unrelenting Sadness/Crying
- Extreme Anxiety
- Lack of Sleep/Constant Fatigue
- Excessive Irritability/Anger
- Increased drinking
- Illegal drug use, including misuse of prescription medications
- Difficulty paying attention or staying focused
- Indifference - not caring about things that are usually important to you
- Not being able to function as well at work, school or home

If you or someone you care about is experiencing these symptoms, you are not alone. These are common reactions to stress, and there are coping techniques that you can use to help manage it.

- Put things in perspective - recognize the good aspects of life and retain hope for the future.
- Strengthen connections with family and friends who can provide important emotional support. Come to church and get involved with your church family. Pray for strength and guidance from God.
- Engage in activities such as physical exercise, sports or hobbies that can relieve stress and anxiety.
- Develop new employment skills that can provide a sensible and highly effective means of coping and directly tackling financial difficulties.

Even with these coping techniques, however, sometimes these problems can seem devastating and you may need additional help to get through "rough times." Fortunately, there are many people and services that can provide help. These include your: Healthcare provider, Pastor, and Parish Nurse.

May the Lord bless you and keep you safe as you journey through life's challenges.

FAITH 5

FAITH5 is a tool for every household to use every night in their homes. Spend 15 minutes doing:

- SHARE highs and lows
- READ the weekly Bible verse
- TALK about the weekly Bible verse
- PRAY your highs and lows
- BLESS each other

It's summer...and that means changing schedules! The sun sets later and the days are longer. The busy school schedule is replaced by camps, vacations, and other summer activities. Even church changed its schedule for the summer and now has one worship gathering on Sunday morning and one on Sunday evening. With all this change, it is important to be intentional about what's happening and when things are happening. So...when does family faith time happen? If you are like most families, faith time gets regulated to an hour on Sunday...and during the summer, sometimes busy weekend plans can even change this schedule.

This summer, you are invited and encouraged to be intentional about scheduling faith time with your family every night before bed. Faith5 is a simple, yet very effective way of seeking and experiencing God within our home. "Every night in every home" isn't just a catchy slogan, it's our prayer for our Lord of Life families this summer. Look for additional resources in our weekly email and please reach out to Pastor Adam if you have questions or would like to learn more about Faith5.

No Need To Apologize...God Is With You!

It's June! School is coming to an end, the lakefront is getting busier, our weekend worship schedule has changed, and those lazy, hazy, crazy days of summer are almost here! What are you looking forward to most this summer? Maybe a much needed vacation? Perhaps making s'mores around a campfire? Possibly getting to spend more quality time with family and friends? No matter what you are looking forward to, for so many of us, summer offers the opportunity to experience something different than we have experienced the rest of the year.

I am under no illusion that coming to church is at the top of anyone's list of exciting experiences for the summer. Don't get me wrong, I believe that worship can be an amazing experience any time of year, including summer...but summer is the time that many folks begin to miss our weekly worship gatherings. When folks do make it to church, I hear a lot of apologizing for having missed. We're not Catholic, but during the summer, as the Pastor, I hear a lot of "confessions" in regards to poor church attendance. And my response to all these apologies...don't worry about it. I know, not the response most would expect. But truly, there is no need to apologize for miss worship this summer.

Take a deep breath...go on your vacation, relax around the campfire, spend time with those you love. You see, church is not the only place where one can have an experience of God. God can be experienced through all kinds of things, in all kinds of places. God is in a sunset on the horizon as you finish a bike ride and in the warm air that blows in the rolled down windows as you head out of town. God is in a crisp early morning jog before the day gets too hot and in the crashing waves on the shore as you take an afternoon nap. God is in the cheering crowds at a little league baseball game and in the laughter of children playing tag at the playground. God is in the hug of a second cousin at your family reunion and in the familiar smile of your spouse sitting across the dinner table. No matter where your summer plans take you...God is there. Don't let missing church be the reason you miss out on an experience of God. Be open to and intentional about experiencing God wherever you and your family are this summer.

Of course, your faith family would love to see you and share in an experience of God together. You are invited to join us in fellowship with one another and in worship to our Creator, our ever-present God. Come...in shorts and t-shirts, in soccer uniforms and swimming suits, in hiking boots and baseball caps! Come...even if you smell like sunscreen or bug spray. Come...with messy hair and no makeup, dirty hands and sweaty brows. Come as you are. All are invited and all are welcome. Let us worship God: singing our praises, lifting up our prayers, proclaiming the Good News, gathering at the Lord's table, and sharing in the peace of God's Spirit. Yet, please know...that even when you are unable to join us

in worship this summer, we are connected, God is with you, and you are loved! And when you make it back to worship, there is no need to apologize for your absence. Know that we are eager to hear all about your unique experiences of God throughout these beautiful summer months!

Peace and blessings,

Ministry of the Month

Each summer, the ELCA Outreach Center provides a free, 6-week summer camp for more than 100 children, primarily attended by children living in low income households in Kenosha. Through activities including sports, swim lessons, and field trips, tempered with work on school subjects such as math, science, reading and art, camp counselors and campers form a life-changing connection.

Our Ministry of the Month collection for June will be snacks for the campers. Please place donations in the wooden chest in the lobby through the end of June.

Some suggested items are:

- ~ Granola bars ~
- ~ Juice boxes/Pouches ~
- ~ Single serve packages of Pretzels, Cheese-Its, Goldfish, Chex Mix, etc. ~
