The Blessed Challenge Of Being The Church

Perhaps you have heard it before, but let's all be reminded again...we are not called to simply "go to church," we are called to "be the Church". Yet, for so many, attending worship on a Saturday night or Sunday morning is our only connection to our faith community. This is a reality for not just Lord of Life, it is the reality beyond our congregation and even our ELCA identity. People of all Christian faiths go to church, but struggle to live into and live out God's call to be the Church. Why? And what can we intentionally do to move in a direction that aligns more fully with this holy calling?

This call is what I want to explore with our congregation in the coming weeks and months. There are ways we have and are faithfully following this call, and I am excited to explore strategies for getting more people connected and involved in the challenging, yet meaningful work of being the Church. Yet, there are ways that we struggle to be the Church. This is not something to fear, be upset about, ignore, or seek to hide. Yes, in many ways, we are a holy and faithful people. But, as with all congregations, there are ways in which we are a broken and sinful people. As much as we may want to only celebrate our strengths, we must also be willing to be honest about our struggles and explore paths of reconciliation, change, and growth. This exploration can hold just as much power and meaning as our celebrations.

So come...our next step in this Spirit-led journey will be coming together as a congregation on Sunday, May 5th. We need your presence, we need your voice. God's call to be the Church looks different for every congregation. It may look different even within our own community, different now than when Lord of Life first began. God's call is not passive, nor is it stagnant. By the power of the Spirit, it flows all around us and through us. It washes away that which hinders our call, and brings new opportunities to embrace our call in exciting, life-giving ways. We need you to be part of this journey, as we seek to thrive as a people of God. Will it be easy...no. Will it always be joyful...no. Yet, we are promised in scripture that in following God's call, we will experience "the Light of life," the very presence of Christ within us and shining through us. We are an imperfect, yet holy people, called by God to be a Living Church, the very Body of Christ in our world. Come, and be part of exploring this sacred call within our family of faith.

*Jesus spoke to them, saying, "I am the light of the world.
Whoever follows me will never walk in darkness but will have the light of life."
~ John 8:12*

MINISTRY HIGHLIGHT

What do you call of group of dedicated women that create quilts and then donate them? Why, Ladies of Lydia of course! If you would ask them what they have been up to lately, they would humbly reply that they are just "plugging along." The truth of the matter is that they have kept themselves exceptionally busy, donating their handiwork to a variety of charitable causes that serve others beyond our church walls.

Here is a sample of some of the projects that have recently occupied their time:

53 twin sized quilts for Sleep for Heavenly Peace
Thank you quilt for Holy Land trip
Hats for God's Kitchen & ELCA Outreach Center
Chemo hats for Cancer Center
Burp towels and small blankets
Quilts for Lutherdale fundraising

Walker bags & lap quilts for:
- Nursing homes
-Senior Centers
-Dialysis patients
-Life Pregnancy Center
-Care net

Ladies of Lydia has an open invitation to join them, saying "If you can sew, you can make quilts. ". These welcoming individuals will make you feel at home and guide your efforts in quilting. Ladies of Lydia meet twice a week to work on a variety of quilting projects on Monday evenings beginning at 6 pm and Thursday mornings beginning at 9 AM. Come check out this remarkable group!

April 1, 2019 Meeting Notes

- As voted on during January's Annual Congregational Meeting, an additional Congregational Meeting will be held after the 10:30am service on Sunday, May 5th. The main purpose of the meeting will be review church finances and to receive congregational input concerning the current leadership transition and future plans. Please plan to attend, if you are unable to attend, please share your thoughts with a member of the Council.
- Pastor Adam is to be restored from working 80% during 2019 to 100% for the next 6 months. Reasons for this decision include the fact that the need for pastoral coverage is immediate. Pastor Stacy will be gone in less than two weeks. Under the 80% position cut from January's Congregational Meeting, Pastor Adam was scheduled to be gone 3 weeks in April and May, plus 7 weeks in July and August. It is not necessarily easy to find an interim or part-time pastor who can effectively assist at Lord of Life within the short term. In addition, Pastor Adam, called as our Associate Pastor (not just a youth pastor), is willing to continue to serve as pastoral leadership for the congregation during this time of transition.
- While Council has a plan and finances will be discussed at the Congregational Meeting, we want you remind you that finances remain tight. Please prayerfully consider increasing your giving if you are able. Thank you.
- As always, please keep your Lord of Life family in your prayers. Change and transition is never easy, yet together we can move forward in God's mission for this congregation.

Junie B. Jones Is Not A Crook at The Rhode Center for the Arts: Sunday, May 19th at 3pm

You know how much Pastor Adam loves live theatre, and we are lucky to have so much great family-friendly theatre right here in Kenosha! Join our families and members of all ages for an afternoon of theatrical fun as we attend The Lakeside Players production of *Junie B. Jones Is Not A Crook*. *Being a one-act play (45-minutes long) makes this production a perfect introduction to live theatre for children! Keep an eye out in the weekly All-Church email for more information and the link to order tickets.*

Day of Awesomeness - Cross+Gen Men's Ministry Opportunity: Saturday, June 8th

When a 9-year-old boy comes up to the pastor wondering why the "girls" get fun events like G.I.G.G.L.E.S. and the Women's Retreat, but the "boys" don't have anything, we get our act together and organize an exciting Men's Ministry event for guys of all ages! While the details need to be worked out, with input from boys, teens, and adult men, we want everyone to put it on their calendars and save the date for this day-long retreat. With opportunities to serve, have fun, learn, discuss our faith, cookout, and worship together...this opportunity will be a great

chance for the guys of our congregation to get together, get to know one another, and get to explore what it means to be men of faith. If you are interested in helping to plan the day, please reach out to Pastor Adam.

Congregational Meeting: Sunday, May 5th at 11:45am

A congregational meeting might not sound like the most fun thing ever...and it's not. But it IS important and needed in order for our Church to explore where the Spirit of God is leading us. It is equally as important to have the voices of all ages present. Come...families and youth, and be part of the strategic planning of this church. Where do you feel we are strong as a congregation? Where do you feel we need to give attention and strengthen? What do you love about Lord of Life? If you could, what would you change? How are you willing to serve this community to help us reach our goals and be the Church God is calling us to be? Sometimes, it is said that the children and

youth are "the future of the Church." But it's not quite true, you are not simply the future, you ARE the Church, right now...an important part of our congregation, right now. Come and contribute...we cannot fully be the body of Christ, the Living Church without you!

God's Work, Middle School Hands: Monday, May 20th at 6:30pm-8pm

A clean church is a happy, healthy church! Seriously, it's true! As part of our congregation seeking to be fiscally responsible, we have cut back out cleaning service to once per week on Fridays. This means that members within our congregation need to step up and help clean the building throughout the week. Well, middle school youth and families, let be leaders! This month, for our service opportunity, let's get together, crank some tunes, and get down to some LoL spring cleaning! The more hands the quicker the work. The more people the more fun it will be! Look for a Youth Ministry email with a link to sign-up and please consider serving our congregation in this way. Thank you!

Save the Date: Pre-Mission Trip Meeting; Sunday, June 9th, 10:45am-12pm

It's May...next month, we are going to Portland, OR! While Pastor Adam is excited, there is lots of planning and preparation that need to get done. This month, we are finalizing participation and securing plane tickets. Pastor Adam has found that a pre-mission trip meeting is a valuable opportunity for the youth and the chaperones. Next month, we are going to get together and get to get to know each other, make some plans for food and fun, learning a little more about the service opportunities, and set the expectations of the trip! Everyone who is participating is asked to attend this meeting after the 9:30am worship gathering on Sunday, June 9th.

30 Hour Famine & Habitat for Humanity, April 5-6th

April seemed to fly by since we had 2 weeks off for Easter break. We were busy working on class work and music to wrap up this Sunday School year.

Our Sunday School offering collection will be donated this year to Lord of Life's Ministry of the Month. So far we have collected \$150. Please remember to bring your offerings to Sunday School. The money is going to a good cause!

Upcoming Schedule:

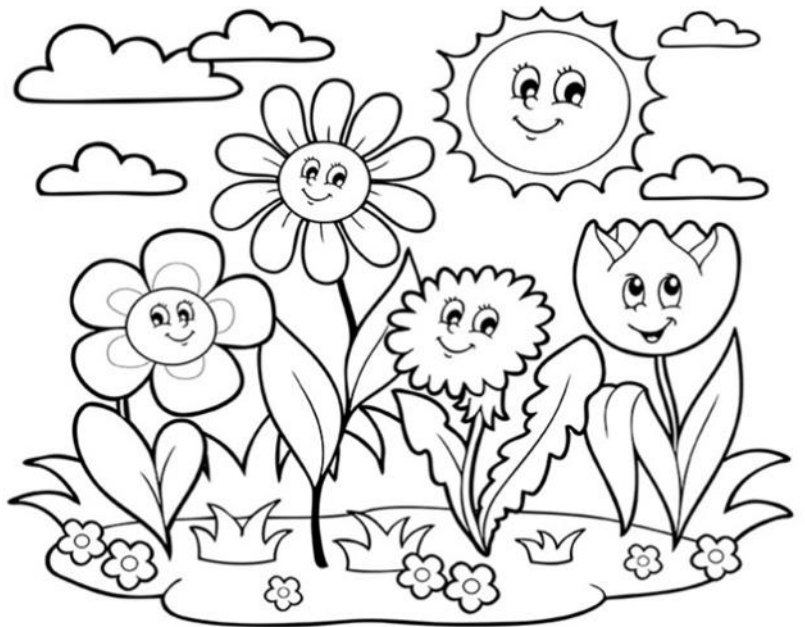

- May 5th - Class downstairs
- May 12th - Class - Mother's Day - Today is also Teacher Recognition Sunday. Please take the time to thank our amazing teachers today. Without their love and dedication this program would not be possible!
- May 19th, This is our last Sunday for the school year. We will have a celebration during the Sunday School Hour. All children are encouraged to attend the 10:30 a.m. service, as the children will be participating throughout the service. Please let your teacher or coordinator know if you will be able to attend the 10:30 a.m. service and would like a speaking part. See the sign up Google form in your email.

*If you have any questions or concerns, please contact a Sunday School Coordinator or your child's teacher.
Sunday School Coordinators are Tanya Brady 847-989-7056 and Lisa McCarthy 262-914-4405 or

Dear friends,

Should we clap our hands together for the appearance of warmer weather and the month of May? If you applause this statement then you are right in line with this month's health observance which features 'Clap4Health!' The simple action of clapping can aid you to lead a happier, fit life! Wow! How can that be true?

Our body has over 340 acupressure points and the palm of our hand nestles 28 points in that region. When you clap your hands there is a satisfying feeling of completion, warmth and happiness. All over the country there are National Fitness Campaigns that use clapping as cardiovascular exercise as well as a way to focus and provide prevention of child and adult obesity. Clapping fuels this rich source of acupressure points, which have direct connections to bodily organs. Clapping is a form of exercise. Let's take a look at how the 28 points of pressure in our palm can give us health assistances.

According to various acupressure, Ayurveda, and even the CDC websites, clapping can provide the following benefits:

- ✋ Clapping plays an important role in heart and lung related problems like asthma.
- ✋ Provides relief from back, neck, and joint pain.
- ✋ You can also get relief from gout
- ✋ Helpful for patients of low blood pressure
- ✋ Clapping is an effective therapy for digestive disorders.
- ✋ Clapping aids skills enhancement of children and improves their academic performance. Children who clap regularly are also likely to make less spelling mistakes than their peers.
- ✋ Clapping sharpens the brain of children.
- ✋ Clapping benefits adults. When adults engage in clapping they feel less tense and their mood improves. They also become more focused and alert.
- ✋ Clapping stimulates the production of endorphins that help boost our mood.
- ✋ Clapping increases immunity and thus keeps diseases at bay.
- ✋ Clapping for 20-30 minutes in the morning keeps us fit and active.
- ✋ Striking both hands against each other, right to left, keeping them straight facing each other and the arms loose. Finger tips and the palm of each hand should strike each other.
- ✋ People living in air-conditioned houses and working in offices who do not sweat at all should practice clapping therapy as it would help blood circulation in the body and cleanse it fully.

Half an hour of daily clapping (Recommended: 1,500 Claps per day) helps those suffering from the following:

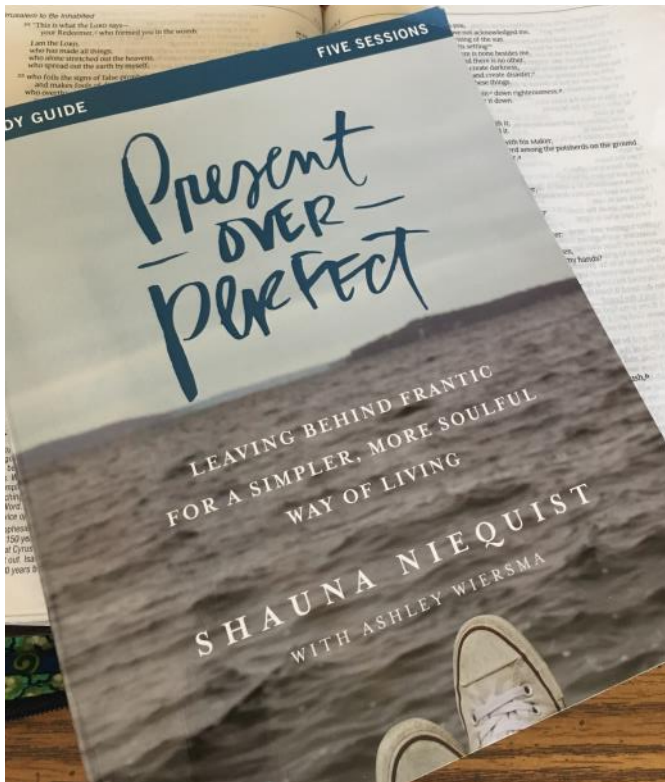

- o Diabetes
- o Arthritis
- o Hypertension
- o Depression
- o Chronic Headaches
- o Common Cold
- o Insomnia
- o Eye problems and hair loss

So when you are happy and you know it clap your hands. Give it a try and have some fun!

Shalom,
Sue Quever R.N,

WOMEN'S RETREAT: JUNE 28TH & 29TH

Siena Retreat Center
5637 Erie Street
Racine, WI 53402

In this five-session bible study, which we will be using for our retreat, author Shauna Niequist invites you on a journey that changed her life. We will look at how to leave behind busy-ness and to rediscover the person you were made to be. “Present Over Perfect” is a hand reaching out, pulling you free from the constant pressure to perform faster, push louder, and produce more, all while maintaining an exhausting image of perfection.

She offers an honest account of what led her to begin this journey, and a compelling vision for an entirely new way to live: soaked in grace, rest, silence, simplicity, prayer, and connection with the people who matter most to us. We will look at the landscape of our own life, and what it might look like to leave behind the pressure to be perfect and begin the life-changing practice of simply being present, in the middle of the mess and the ordinariness of life.

Check in time is anytime after noon on Friday, June 28th and the first session will begin at 6pm. Check out time is Saturday, June 29th at 4pm. The cost is \$100, which includes overnight lodging, 2 meals, and retreat materials. Please join us for our 2019 Women's Retreat. Registration starts May 12th.
