LifeLines deadline
The 15th of every month

Our mission is to transform lives through grace by being an accepting, serving, and caring community, empowered by the Holy Spirit to grow in faith.

C³ - CONVERSATIONS WITH CAROL & THE COUNCIL

Join Pastor Carol and Congregational Council members for a listening session. You talk, they listen. Groups are limited to 20 so that everyone has an opportunity to speak. If there is a need, we will schedule additional sessions. The C³ conversations will take place in the youth room. See the sign-up on the welcome center in the lobby or [CLICK HERE](#) to register.

- ◆ Sunday, March 1st 6:30—8:00 p.m.
- ◆ Tuesday, March 3rd, 6:30—8:00 p.m.

- ◆ Monday, March 2nd, 10:00 a.m.—11:30 a.m.
- ◆ Saturday, March 7th 3:00—4:30 p.m.

JOIN OUR CHURCH FAMILY

God's gift of community provides two of our most basic needs: The church can be a place to belong, and a place to become. If you have had an opportunity to worship with us and would like to learn more about Lord of Life, please consider attending our New Member Gatherings. We will gather in Fellowship Hall at 9:15 a.m. on the following dates and new members will be received during the 10:30 a.m. worship service on Sunday, March 29th .

- March 15th, Living as an ELCA Lutheran
- March 22nd What is your Spiritual Gift?
- March 29th Lord of Life & our Ministry

SCREENAGERS: GROWING UP IN THE DIGITAL AGE

See page 6 of this newsletter for more information about the chance to view this documentary on Thursday, March 26th from 6-8 p.m. here at Lord of Life. *Screenagers* reveals how tech time impacts kids' development and offers solutions on how adults can empower kids to best navigate the digital world and find balance.

The opportunity to screen this documentary is thanks to one of our Lord of Life Youth, Aaden Maedke. Aaden thought this topic was something that would be important to families at Lord of Life, and when the producers found out about his passion, they cut the licensing cost by more than half. He was then gifted with a Thrivent Action grant from the Kersten family, and raised the remainder of the cost with a special offering request during a weekend of worship in February.

We hope you'll join us for this special opportunity!

Opioid Misuse Prevention What's in Your Medicine Cabinet?

You will learn:

- What is an opioid, what is opioid misuse?
- Potential side effects
- Current misuse trends
- How to prevent opioid misuse

DATE: **Monday, March 23, 2020**

TIME: **6:30 p.m.**

PLACE: **Lord of Life Lutheran Church
5601 Washington Road, Kenosha**

REGISTRATION: **(262) 656-1995**

*Attendees receive free information and a small gift.

I Learned Something New...

It was not long after the idea got going - in the mid-1980's - that I heard about parish nurses. It seemed like a great idea to have nurses connected to congregations, although I admit thinking that having a nurse sitting in the narthex after worship with a blood pressure cuff might be a little awkward.

All these years later, Lord of Life has given me the opportunity to learn about Parish Nursing - now often described as Faith Community Nursing. It is much more than sitting in the narthex with a blood pressure cuff! Sue Quever, the parish nurse at here at Lord of Life, has taught me much. Her work, through Advocate Aurora, is a ministry to our congregation and to our community. For folks who may be fairly new to Lord of Life, and those who may never have had the opportunity to work with Sue, I thought I would share some of what I have learned.

One part of Sue's work is fairly easy to see. Sue cares for the congregation. Her emphasis is on health - yet her work ties in with faith. I am continually amazed at how well Sue knows the people of this faith community - and how long she has known many of you. Whether tracking long-term health issues, or serving as a resource to connect people with appropriate help in the health care community, or reaching out to new moms and dads, or helping adult children find a place for aging parents, or explaining medications, or working on prevention, or walking with those who journey toward death and new life, Sue has been present to hundreds of members of the faith communities of Lord of Life, St. Mary's, and others.

There is another significant part of Sue's work that came as a surprise to me. I realized recently that Sue, our Parish Nurse, provides a large portion of the congregation's outreach to the community's and even evangelism. Do you remember the "Aurora Heart Fair" held here at church in February? Aurora Health Care professionals were here to talk about many facets of heart health, including heart disease and diabetes. Well over 60 people attended the event. A few of these were from the congregation, but the majority were from the community. At a time when Lord of Life is trying to discern new ways to reach out to the community - this is one way that it is already happening! Not only do people come for health services, they look around the building, meet some members, and recognize that this is a place where they feel God's love and feel welcome. Yea Sue and Lord of Life!

There are other ways Sue leads the congregation in outreach to the community. Whenever you hear about a class or offering - it isn't just for members of our congregation. It is for the community as well. For example, a class, Opioid Misuse Prevention, is coming up on March 23. This class will offer important information to Lord of Life, and to the larger community as well. I hope you will bring friends and family with you to this class, and that you are warm and welcoming to those who come from the community.

There are many other things Sue does as our Parish Nurse. Sue - we thank God for your ministry - for your care for us, and for the outreach to the community that you do on behalf of the congregation. May God continue to bless your faithful work!

Pastor Carol

Greetings to you in the name of our Lord and Savior, Jesus Christ!

As our mild winter changes to a beautiful spring here in Wisconsin, 2020 has a positive start for us here at Lord of Life. Two months already gone by, way too fast in my opinion. The council and I have been preparing for the year after we last saw everyone at our congregation meeting.

We recently had our council retreat (One of our members place of business; located at Bothe Associates Inc, thank you for your hospitality) run by Pastor Carol with all of council and Angie. We talked about strengths and weaknesses with our church and with ministries/congregation and within ourselves; finding out who strives during certain obstacles.

We had a furnace issue, it is not good to be cold in the winter, especially in our nursery. We had a quote with a company and one of our members' future son-in-law does heating and cooling for a living. He took a look, gave us a quote and his company did not even charge us for the part. We have heat!!! Thank you to everyone that made donations towards the repair. We will be using those funds for future property needs that arise.

All are welcome to service and of course our monthly council meetings call to order at 6:30 p.m. If you need anything feel free to ask one of us, email us (council@lordoflifekenosha.org), or call us.

Thank you for your support for all that you do and everyone's generosity in our ministries and day to day operations.

Jackie McCarthy, Council President

Council Meeting Minutes February 11th 2020

Pastor's Report: Pastor Carol wanted to make sure we had a way to keep track and follow up on the goals we set at the Retreat. John said that we make it part of the agenda when we meet. Brian suggested that that we separate out the various goals to different "work teams" to do that work on the side and then to present their findings at a Council Meeting. Pastor Carol felt that we should get straight thru the operational part of the Council meeting and then spend 20 min or so on the goals part. She would like the Executive Committee to meet every 2 weeks before the Council Meeting to set the agenda. It was agreed that the Executive Committee would work on that this month before the next Council Meeting. Pastor Carol would like to start discussion on "A Door Set Open" starting next month with part one of the book. We then split up as to when we'll be attending the C3 meetings. She also went over her pastoral duties for the last month.

Financial Report: Brian went over the financial reports. Good news! We have a positive cash on hand figure. We also paid January and February's Synod benevolence. SCRIP has a \$6848.00 balance. He thought the card inventory on hand was high. Will look at that with Kris Klimisch. Income was up \$27,000 from general offerings over last month.

Administrators Report: Angie said she is still getting quotes on a new wireless system. She is also weighing the options between rechargeable batteries vs non-rechargeable batteries. Which would be more cost effective in the long run. The copier lease is up in June. She is meeting with reps for quotes for that. Also, the TDS contract is up for renewal in mid-summer.

New Business: The first item is a Saturday Service time change. We are considering moving the time to 4:00PM (from the current 5:30PM) Pastor Carol stated that Kerry would be much more available if it started at 4:00 The music piece still needs work. Jackie wanted to know when this would start? Pastor Carol suggested after Easter. April 18th. Motion approved. In the ensuing discussion it was decided to table the motion to seek input from the Congregation. We could move the time and then re-evaluate in August. We'll bring it up at the next Council Meeting.

Pastor Carol would like to move the next 3 Council Meetings to the 3rd Tuesdays. No problem from anyone as to the change in dates. So that would be March 17th, April 21st, and May 19th. The Congregational Meeting will be June 28th.

The next item was a change in the constitution to have the Council term be 3 years instead of 2 years. We need to schedule a Congregational meeting for this. All agreed. There was discussion as to the logistics of the meeting for the proposal, and the Congregational meeting to facilitate the change in the constitution. We'll announce it in the Lifelines for the 30-day notification. We'll have a Congregational meeting before the 8:00 Service on March 15th. There should be enough for a quorum to put it on the slate for the Annual Congregational meeting to vote for approval. (This 3/15 meeting was postponed, as Angie would be learning more information about updating our Constitution at a workshop she would be attending on March 8th.)

We decided to put off staff reviews for a while because there is a lot on their plate right now.

Screenagers – Aaden Maedke needs 50.00 to pay for the movie he wants to show. After discussion it was agreed that he could hold a special good will offering after services one weekend to raise the funds.

There was discussion on how the fundraising for the youth mission trip was going.

Brian reported on the Fundraising Team's first meeting. 15 people showed up! They proposed a number of different projects to raise funds.

Next meeting is Tuesday, March 17th, call to order at 6:30 p.m.

Join us for a special screening of

SCREEN AGERS

GROWING UP IN THE DIGITAL AGE

Sreenagers is a documentary about how people get stuck in their phones. It will be screened on Thursday, March 26th, from 6:00 to 8:00pm, hosted here at Lord of Life. Invite your friends & neighbors - it is free for all. Ages 10 & up are recommended for this 1 hour documentary, which is followed by a guided discussion.

First Tuesday March 3rd, 6-8pm

Painting rocks for Kenosha Rocks

Lots of miscellaneous crafts downstairs that we can make too!

Second Wednesday March 11th, 5:30-8pm

5:30-6:30 p.m. Soup Dinner, 6:30-7:00 p.m. Lent Service, 7:00-8:00 p.m. Games

Sunday, March 15th

Youth Bake Sale after both worship services

Third Thursday, Saturday, March 21st 6-8pm

Cross Gen, Talent Show - more info to come

The Sunday School children have been working hard practicing music and learning about Jesus these past few weeks. Thank you to Barb and all the children who sang in church on February 16th. You did a great job and your music was enjoyed by all. We also visited our friends at Manor Care Nursing Home on February 9th. We had fun singing and making crafts with the residents.

Our Sunday School offering collection will be donated this year to Lord of Life's Ministry of the Month. So far we have collected \$196. Please remember to bring your offerings to Sunday School. The money is going to a good cause.

Starting in March we will be meeting downstairs instead of in the Sanctuary for the opening of Sunday School. The opening will be held in the music room (1st room on the left).

Remember March is Teacher Appreciation month for Sunday School. Don't forget to thank your teachers for all they do to teach our little ones about Jesus.

Upcoming Schedule:

- ✝ 3/1/20: Regular class and Third grade Bible Class with parents
- ✝ 3/8/20: Regular class and Third grade Bible Class with parents. Remember Daylight Savings: Spring your clocks forward 1 hour.
- ✝ 3/15/20: Class - Handprints on the walls
- ✝ 3/22/20: Class - Handprints on the walls
- ✝ 3/29/20: Class
- ✝ 4/5/20: Palm Sunday

Any questions or concerns can be directed to a Sunday School Coordinator or your child's teacher. Sunday School Coordinator's are Tanya Brady 847-989-7056 and Lisa McCarthy 262-914-4405 or

Dear Friends,

In Kenosha County and all around the country, drug overdose has dramatically increased over the last two decades. Deaths from this epidemic are increasing more than 4 times between 1999 and 2017. Drug overdoses have resulted in 70,000 deaths making it a leading cause of injury-related deaths in the United States.

Did you know that of those deaths, around 68% involved a prescription or illicit opioid? The highest rates of opioid deaths are adults in the age of 25-54 years old.

In 2019, the CDC received a significant amount of money for overdose prevention and surveillance activities with most of the funds supporting state-based efforts. The 5 key strategies the CDC came up with to prevent opioid misuse, overdose, and deaths are the following:

- **Conduct surveillance and research**
Timely data helps public health officials learn extent of problem, get resources and figure out where they are needed. CDC is researching and identifying effective strategies to prevent further opioid overdose epidemic.
- **Build state, local, and tribal capacity**
Run prescription drug monitoring programs, regulate controlled substances, and respond to drug overdose outbreaks
- **Support providers, health systems, and payer**
Health systems and providers are tracking and doing drug reviews and improving ways opioids are prescribed
- **Empower consumers to make safe choices**
Educate consumers about the risks of prescription opioids and the importance of safer and more effective pain management with their healthcare providers. Also CDC promotes awareness about tainted opioids with fentanyl.
- **Partner with public safety**
First responders are educated on how to use Narcan to save lives and if they come in contact with opioids and fentanyl. Data sharing, surveillance, and targeting intervention is also communicated with CDC, public health and law enforcement.

The CDC is getting involved with opioid prevention and taking the crisis seriously. To learn more about the opioid crisis, please attend an informal presentation Monday, March 23rd at 6:30 pm - Opioid Misuse Prevention which will be offered at Lord of Life Lutheran Church -5601 Washington Road, Kenosha. Please join in the conversation and learn about opioid misuse, side effects, current trends and how to prevent misuse. Attendees will receive free information and a small gift.

Shalom,

Sue Quever, R.N., FCN
AdvocateAurora Faith Community Nurse Program

Thriving!

There is something attractive about this title. We love the idea of Thriving, but in truth most of us are focused on just surviving. Maybe you have noticed: living the Christian life is not as easy as it used to be. There was a time in the not too distant past when spiritual faithfulness seemed so much simpler. How many of us stand up and speak out about their faith? One member and I had a great discussion about this just a few weeks ago. She told me she invited a woman she met in the store, to our church. They both were talking in line about their current sad situations. This member said her faith just bubbled up inside her and she spoke about her faith and her faith family, and then boldly invited her to church. We don't know if that woman came or not, but her words will never be void. This member said she has never done this before and it felt really awesome!

From the constant busyness that keeps us on edge, the financial pressures of trying to make ends meet, and the temptation to stop serving God and other people, we are tired and are not THRIVING! So often we want to go our own way and do our own thing and seek what fulfills us. But we need to thrive in our walk with God. Being bold and sharing your faith is one way the holy spirit will get you thrive! How about next time a friend (or someone in the grocery line) tells you about their messed up life, tell them that God loves you and he hears you! Go ahead and pray with them! Yes! Pray with them! And most importantly, don't forget to invite them to church!

RUACH, which Means BREATH in Hebrew

(Devotion from "Seven Hebrew words, every believer should know" by Dave Adamson)

We don't often think about breathing ... unless we're running out of air. But breath is an important theme throughout the Bible. The Book of Genesis says God made man from mud and put skin, muscles, bones, blood vessels, tendons, veins and hair in place, but the man was not a "living being" until God breathed into his body.

The word for breath in Hebrew is ruach which also means Spirit, so man only becomes a "living being" when God gives him His Spirit. According to the psalms, "... everything that has breath praise the Lord", so to be alive we first inhale God's Spirit and then we exhale praise. Inhale Spirit, exhale praise. This is life.

Do you have this rhythm in your life?

MINISTRY OF THE MONTH

This month we will be collecting items for Safe Harbor Humane Society.

Some of their most needed items will be for the upcoming spring kitten season:

Cat litter

Kitten nursing bottles

Meat varieties of Gerber baby food

Small aluminum pans

Wet/Dry Kitten food

Paper towels

Dawn dish soap

Digital thermometers

Transforming lives through Grace...

Saturdays

5:30 p.m.

Contemporary Worship

Sunday Mornings

8:00 & 10:30 a.m.

Traditional Worship

WE WELCOME

ALL Races & Ethnicities

ALL Religions

ALL Countries of Origin

ALL Sexual Orientations

ALL Gender Identities

ALL Abilities
