LIFELINES

The monthly newsletter of Lord of Life Lutheran Church

5601 Washington Rd. • Kenosha, WI 53144

E-mail Address: office@lordoflifekenosha.org

Phone: (262) 656-1995

For as in one body we have many members, and not all the members have the same function, so we, who are many, are one body in Christ, and individually we are members one of another. ~ Romans 12:4-5

As the Apostle Paul says in the Romans text above, just as there are many parts to our bodies, likewise there are many parts to Christ's Body. Teamwork is an essential part of God's plan for ministry. We all need each other to have a fully functioning ministry and EVERY ONE of us plays an important role. There are many instances in scripture where we see teams of people working side-by-side to further His kingdom.

Be assured, that even in this interim pastoral period, we have dedicated people involved in many strong Team Ministries at Lord of Life. Some examples are our:

- Property Ministry Team**
- Youth Ministry Team**
- Finance Ministry Team**
- Stewardship Ministry Team**
- Leadership Team**
- Several Worship Ministries**

Interested in joining one of our ministry teams? Contact the church office or speak with Jodi Iorio, our Connections Ministry Coordinator.

SERVING YOU AT LORD OF LIFE

- Angie Wollschlager**
- Church Administrator

LifeLines deadline
The 15th of every month

Our mission is to transform lives through grace by being an affirming, serving, and caring community, empowered by the Holy Spirit to grow in faith.

WHAT'S HAPPENING?

Our next Strategic Planning Listening Session will be held on **Sunday, October 13th** and the discussion will be about Lord of Life's Vision and Mission. A potluck soup lunch will be held at 11:45 a.m., the listening sessions will begin by 12:30 p.m., and will wrap up no later than 2:00 p.m. Our Lord of Life Strategic Planning Team will provide salad for the luncheon, but congregation members are asked to bring a crock pot of soup or a loaf of sliced crusty bread. RSVP and sign-up to contribute to the lunch either by visiting our website (www.lordoflifekenosha.org, scroll down and you will see the Strategic Planning button) or on the sheet in the church lobby.

As a reminder, the Lord of Life Strategic Planning team is working with the Zeidler Center to engage the congregation and bring together multiple voices and points of view. The goal is to establish a strategic vision that will guide us as a congregation and help us boldly move forward in faith. The sessions are formatted as small group discussions and will be facilitated and guided by Zeidler Center staff, who work with organizations to facilitate open discussion and support in the process of strategic planning. The fourth and final session will encompass a presentation of findings and recommendations. Don't miss this opportunity to have a voice in determining the future of Lord of Life!

Other upcoming sessions:

Session 3: Sunday, November 3 – Leadership Structure

Session 4: Sunday, December 1 – Findings and Recommendations

Sunday, December 8, 2019
12:00 p.m.

Watch for opportunities:
Ladies to Host a Table
Men & Youth to Serve

As a (relatively) newly elected member of Council, I wanted to introduce myself and my philosophy of church leadership.

My husband John, our daughter Savannah, and I, began attending Lord of Life in 2015 and became members in the Fall of 2016. I grew up in an ELCA church and attended Carthage College because I wanted a small Lutheran school experience. At our first visit to LOL, I felt like I was back in the church of my childhood: welcoming, family-oriented and accepting. John and I have been involved with Inns and Altar Care and Savannah has been an acolyte.

At this time of change for our congregation, I feel that we have to have many important but difficult conversations about the church we want to be. As a School Psychologist, important but difficult conversations are a big part of my job. I hope to facilitate meaningful discussions regarding the path of our church. I am an active listener and can take the viewpoint of others. I have a lot of experience with protecting confidential information and sharing sensitive information respectfully when needed. I feel that any leadership role should be perceived as an opportunity to support growth and empowerment in all, rather than focus on the power of the few. I believe in open communication and a leader's role is to be the voice of the whole, not the voice of one. Each person will have his or her own opinions, but it is important for there to be continuous dialogue to gain a true representation of the opinions of the majority.

Interestingly enough, I initially wrote these words in preparation for the council election in June. Even more true today as we begin the process of calling a new Pastor. I encourage you all to embrace the Ziedler Center discussions to have your voice heard and BE THE CHURCH.

Blessings,
Kathi Strott

4 SUNDAY SCHOOL HAPPENINGS

September 22nd was the start of another GREAT Sunday School year! If you have not registered your child please visit the church website; www.lordoflifekenosha.org, click on Faith Development, then Sunday School, and you'll find the registration link. A new registration form must be turned in for each student. Students range from age 3 through 8th grade.

This year we started a new parents group that meets during the Sunday School hour. This is another opportunity for parents to get to know one another better and discuss the same lessons shared during the worship service and education hours. The lesson is supported with a Family Page distributed in the weekly Wednesday church e-mail to help families journey in faith together. We were so happy to see such a great turn out to the start of this new group. Please join us each week, we look forward to seeing you there!

We would like to welcome our 2019-2020 teachers:

- ♥ Pre-K/Kindergarten/1st grade: McKenzie Kugler, Sarah Young, Megan Fowler Rodriguez, Joyce Behlke, and Chloe Hilby
- ♥ 2nd/3rd/4th grade: Michelle Eisenhauer, Rhiannon Urso, and Kristi Schaeffer-Kleutsch
- ♥ Music: Barb Hess & Kerry Bieneman
- ♥ WeB (5th/6th/7th/8th grades): Dave Klimisch, Amanda Maedke, and Robin Berry

Our Sunday School weekly offering will be donated to Lord of Life's Ministry of the Month. We will use the money collected each month to purchase scrip cards to be used for each month's ministry.

The upcoming schedule includes:

- ⇒ 10/6/19: Class/Music
- ⇒ 10/13/19: Class/Music, Children will sing in Church at the 10:30 a.m. service.
- ⇒ 10/20/19: Class/Music, Build Care Packages (see below)
- ⇒ 10/27/19: Class/Music

Grab a nametag in the lobby and Join us in the sanctuary as a family each week at 9:15 a.m.!

On October 20th the Sunday School kids will be showing their love & support to our young adult members, ages 18-22, who are busy at college, the military, or in trade school by sending them care packages. We need your help in collecting a few of these items to send off. Please bring in one or two of the following items: Pre-packaged snacks, gum, mints, candy, chap stick, hand sanitizer (small), unique pens/pencils, small note pads or post-its, items with a Christian message, etc. \$5 gift card to popular chains (Subway, McDonalds, Pizza Hut, etc.). Thank you for your support!

If you are the parent of a young adult and would like them to receive a care package, please pass along their name and mailing address to the church office.

Questions or concerns can be directed to a Sunday School Coordinator or your child's teacher. SS Coordinators are

Dear Friends,

The National Health Observance highlights Dental Hygiene for the month of October. The American Dental Association (ADA) stresses the value of preventive services in keeping good oral hygiene and to encourage others to develop and continue with a daily oral health routine. Brushing your teeth for two minutes at least twice a day remains a critical element to maintaining a healthy smile. Studies have shown that brushing for two minutes is perhaps the single most important step an individual can take to reduce plaque build-up and the risk of plaque-associated diseases, such as cavities and gingivitis. Flossing or using a water-pik is also an essential part of the tooth-cleaning process because it removes plaque from between teeth and at the gum line, where periodontal disease often begins. Here are a few facts I thought you would want to know:

- Oral health exams can uncover symptoms of diabetes, osteoporosis and low bone mass, eating disorders and HIV.
- Each year, millions of productive hours are lost due to dental diseases. Children missed nearly 52 million hours of school, or an average of 1.17 hours per child, in one year due to treatment problems, according to one survey. During that same time, workers lost more than 164 million work hours, an average of 1.48 hours per worker, due to lack of treatment for dental disease.
- Remember to replace your toothbrush every three to four months. Researchers have established that thousands of microbes grow on toothbrush bristles and handles. Most are harmless, but others can cause cold and flu viruses, the herpes virus that causes cold sores, and bacteria that can cause periodontal infections.
- Dental caries (cavities) is the major cause of tooth loss in children; periodontal (gum) disease is the major cause of tooth loss in adults.
- Snacking on celery, carrots, or apples helps clear away loose food and debris.
- Tongue and lip piercing can cause blood poisoning, prolonged or permanent drooling, damaged sense of taste, toxic shock syndrome, permanent damage to tooth enamel and oral tissue, and transmission of infections such as hepatitis B and HIV.
- Tobacco is the primary cause of oral cancers. Smoking a pack of cigarettes a day or using smokeless tobacco quadruples the risk of developing oral cancer
- Oral cancer occurs twice as frequently in men as women.
- The biggest oral health problem for infants is early tooth decay, known as baby-bottle tooth decay. This results when babies routinely fall asleep with bottles filled with sugary liquids such as milk, formula, and juice—anything other than plain water.
- Chewing gum can help eliminate food particles caught between teeth after a meal and also helps prevent plaque build-up by stimulating saliva production.
- Dental caries, popularly known as tooth decay, is an infectious, transmissible disease. Research shows that the presence of bacterium known as streptococcus mutans leads to dental caries in children.

Let's all share a healthy smile!

Shalom,

Sue Quever R.N.,
Faith Community Nurse
AdvocateAurora Faith Community Nurse Program

6 THE CONNECTIONS CENTER

This past month we had a natural phenomenon. A rare occurrence which will not happen again until August 13, 2049. The beautiful Harvest moon fell on Friday the 13th. The harvest moon represents a release and a reset. Pretty ironic, hey? I was out that night of the 13th and saw that beautiful orange moon. I am reminded of Psalm 19, when David writes; "How clearly the sky reveals God's glory ... no speech or words are used, no sound is heard; Yet their message goes out to all the world and is heard to the ends of the earth". Have you ever considered that your life is supposed to send this same message? In several places in the Bible we're told to love God with "... all our soul", a phrase that uses the Hebrew word nephesh which means "soul" and also means "life", so we're supposed to love God WITH all our life FOR all our life. This is not loving Him for an hour each week at church - it's loving Him in everything we do in every minute of every day. All that is well and good but it leaves me asking myself, "What can I offer that God is worthy of receiving?" Worship. That's my answer. That concept carries so many angles and images. Worship comes in many forms and many circumstances. We worship out of our need, our plenty, our joy, and our grief. We worship in our exuberance and in our anxiety, in our health and in our pain. We worship when our emotions are touched by profound music or great art. We can, and should, worship wherever we are in whatever we are doing! So...if the skies above reveal the glory of God... how can your life also reveal the glory of God?

Jodi Iorio, Connections Ministry Coordinator

Saturday, 5:30 p.m.

Lesson readers: The Bible verse is emailed to you ahead of time and a copy is printed and ready for you at the lectern.

Altar Care: Set up/clean up Communion

A/V - It's not as difficult as it may appear!!

Coffee & treats after worship: Store bought treats are absolutely welcomed!

Scrip sellers (before worship) - This ministry is very important, as it generates revenue!

Ministry of the Month

This month we will be collecting items for the LGBT Center of Southeast Wisconsin, located in Racine, who provide an open, affirming environment for people of all sexual orientations and gender identity expressions. They provide support, education, resources and advocacy to achieve a stronger and healthier world for all LGBTQ+ people and allies.

The items we will be collecting will support the after-school and support group programs they offer. Please place any of the items below in the Ministry of the Month chest through the end of October.

- Reams of white computer paper
- Post-it notes
- Ground coffee
- Bottled water
- Lysol wipes
- Paper towels
- AA or AAA batteries
- Individual serving packages of non-perishable snack items, such as trail mix, granola bars, crackers, etc.
