

**The Body of Christ: In Harvey Needs You!**

*"All of you together are Christ's Body, and each of you is a separate and necessary part of it."*  
1 Corinthians 12:27 NLT

*Beloved:  
One reason you need to be connected to a church family is to fulfill you calling to serve other believers in practical ways. The Bible says, "All of you together are Christ's body, and each of you is a separate and necessary part of it."*

*Your presence and participation are essential to the body of Christ. Why you ask? Because each of us has a role to play and every role is important. There is no small service to God! It all matters. No ministry in the church is insignificant. Some are visible, while some are hidden and work behind the scenes, all are valuable. I have discovered that most often the ministries that are looked upon as small and are often hidden, make the biggest difference. The most important light in our homes especially when it gets dark is not the chandelier in the dining room but rather the small night light that keeps us from stubbing our toes when we get up at night.*

*It is both sad and true today thousands of local churches are dying because of Christians who are missing in action, unwilling to serve. They sit in silence as spectators, while the body of Christ suffers. God is calling you to service far beyond anything you could ever imagine. He created you for a life of good deeds, which He has already prepared for you to do. **Whenever you serve others, you are actually serving God!***

**Health Corner**

**Brokenness**

Are you broken? Has life gotten you down? Are you struggling with symptoms of depression and anxiety? Are you in a state of confusion? Did you know that your feelings can stem from childhood trauma?

**What is trauma you might ask.**

Trauma is an emotional response to a terrible event like an accident, assault or natural disaster. Oftentimes we experience things in our childhood. Some of which we remember and some we don't. These experiences dictate our behaviors and how we live our daily lives. Therefore, the next time you see someone acting out of sorts, pray for them for you know not what they have been/are going through.

There is help for those who are broken. It is not a position that you must succumb to. There are psychological, emotional and spiritual answers to begin your healing process.
