WOYYAGE

History: In a surge of excitement, Cartigan Yachts set course on April 28th, 2024, with our West Coast Launch Party in Marina del Rey, California. The historic event, held inside the Windjammers Yacht Club, attracted Hollywood's elite and featured an exclusive docked 104-foot azimuth yacht party with top DJs and live performances. Following its 300 attendee and viral digital success for sponsors, we're thrilled to announce our next venture: a sponsored three-yacht voyage from Marina del Rey to anchor outside of Nobu Malibu on July 27, 2024.
