

TEXAS MUNICIPAL CLERKS CERTIFICATION PROGRAM

Election Calendar
For a City's General Election on May 6, 2023

(last updated December 21, 2022)

This calendar includes all major actions for which the Election Code prescribes a specific deadline, but this calendar does not include actions that can vary from one city to another (for example, preparation of voting equipment and forms). Each city secretary should use the chart in §1.62 of the *Texas Municipal Election Law Manual* (6th edition) [abbreviated as M or Elections Manual] together with this calendar to fill in those dates on the city secretary's personal election calendar. Always verify the latest version of the calendar on the TMCA's website (under "publications").

Dates in column 1 are 2023 unless noted otherwise. Actions in column 2 relate to general elections (those in *italics pertain to early voting*), but some notes for special elections have been included. The actions are typically taken by the city secretary, but deviations appear in column 3. Column 4 is a cross reference to the Elections Manual.

"ED Interval" in column 5 indicates the time between the date of the action and election day. For example, the notation "50th" in the entry for March 17 means mandatory office hours begin the 50th day before election day; the notation "+10" in the entry for May 16 means that the LAST DAY for the presiding judge of the early voting ballot board to mail voters notices of rejected mail ballots is the 10th day after election day. An asterisk (*) in this column indicates the time stated is not required by statute.

When a statutory provision prescribes the LAST DAY for the performance of an act, the number in column 5 reflects that day. If the statutory date is moved because of a Saturday, Sunday, or state or national holiday [M §1.52(b); endnote 6], the resulting date is designated in column 1, and column 5 indicates, in parentheses and italics, the actual number of days measured from election day. When a deadline is extended for this reason, the extended date is used for determining other due dates. Not all due dates revolve around election day and are so noted.

The last column has been reserved to show completion of the event in column 2. A dashed line in the table between entries indicates separate events that fall on the same day.

To prepare a calendar for a runoff election, see M §§12.01-.02; for a special election to fill a vacancy in office, see M §12.03; for a special election on a measure, see generally M §12.12. When reading the Election Code, the city secretary should remember to read the chapter and subchapter titles to determine if the section applies to cities. Abbreviations in the calendar are the same as those used in the Elections Manual.
