Anything else you would like your parents to know about you? I love bright colors, other cultures, Africa, elephants, travel; I have a cat and a dog; I love Target, Amazon, and spending time with my daughter. I love pop art and art in general. I LOVE history documentaries, interesting books on history, and traveling to historical places. You can never go wrong with Astro bright paper, flair pens, and laminating sheets. I LOVE TEACHING YOUR KIDS! It's my calling and passion in life outside of being a mother. If you're reading this for gift ideas, gifts are great, but my love language is kind words. I cherish the cards and notes and hearing how hopefully I have impacted your child's life. You never have to buy me a thing.
