

High Recommend to purchase (buy) trip insurance for your whole package trip (cruise, any accommodations (hotel, motel, etc.), transportation (shuttle, flight, train, etc.). It is based on your age and cost of trip.

Best to buy trip insurance within 21 days after you pay your first deposit. If you book cruise first, then use the cost of your trip (cruise, taxes/fees & pre-paid tips) at your present age. Then later you add flight, hotel, shuttle, etc. then let your travel agent, Maria, know then she call or email Arch Roam Right to let them know the additional cost and they will let Maria know the cost then you pay the difference. If you have any questions, please let your travel agent know.

You can pay trip insurance by credit or debit card.
