

The Cana-Mex Rally Run offers an exclusive group of teams driving classic European sports cars the opportunity to navigate the length of the United States from Canada to Mexico on some of the most scenic and challenging roads in the world.

Over the course of 7 days and 8 nights, drivers will experience national parks and monuments, the bright lights of Las Vegas, historic Route 66, and the serenity of the Rocky Mountains. There will be challenges, charity events, and adventures on each of the 8 stages including a car show, and awards banquet. All being filmed for a documentary on the cars, drivers and grandeur of the journey.
