About Us

Sutra Communications, Inc. is a leading, Telecommunications Infrastructure Installations Contractor dedicated to safety, quality and complete customer satisfaction. Established in 2015, Sutra has provided telecommunications installation and related services nationwide. Sutra specializes in planning, new build and maintenance of audio/video and data infrastructure.

We pride ourselves on our ability to provide on time quality installations as well as complete documentation and precise closeout packages. The success of our business is the direct result of our commitment to the ongoing process of building and sustaining relationships by assessing, anticipating and fulfilling stated and implied needs. Striving daily to become our customer's number one choice for telecom installation and maintenance services, Sutra Communication offers quality service that goes above and beyond industry standards and best practices.
