Receiving and Warehousing — Ship your products directly to our warehouse and we will receive them, inspect the freight, and inventory the items; sending you the bill of lading and a detailed report with pictures upon minutes of arrival. The fee per square foot includes up to four weeks of storage and staging for pick up. Long term storage is billed monthly and prorated weekly upon pick up or delivery. A standard pallet is 16 square feet. **\$3.50 per SF**

Pick and Ship — Send us your orders and we will pick, label, and ship your products to your customers via your preferred method (USPS, FEDEX, or UPS). The tracking info will be sent instantly to you and your customer. Packaging is not included as your items should come prepackaged to ship directly. Items ship once daily Monday—Friday, service is billed weekly. **cost of post + 10%**

Inside Delivery — From our warehouse we load your products onto our trucks, vans, and/or trailers and deliver them directly to your chosen destination. Upon arrival we carefully with liftgates, ramps, and equipment unload your products and deliver them inside to your customer. A signed receipt of goods from your customer with pictures is then instantly sent to your email. A full 26 foot box truck is 192 square feet and a pallet is 16 square feet. **\$.50 per SF + \$1 per mile**

White Glove Delivery — From our warehouse we load your products onto our trucks, vans, and/or trailers and deliver them directly to your chosen destination. Upon arrival we carefully with liftgates, ramps, and equipment unload your products and deliver them inside to your customer. Once inside we very carefully unbox, unwrap, and place your products in your customers deaired location. Lastly we remove all associated trash and debris, and vacuum the immediate area. A signed receipt of goods from your customer with pictures is then instantly sent to your email. A full 26 foot box truck is 192 square feet and a pallet is 16 square feet. **\$1.50 per SF + \$1.50 per mile**

Assembly and Installation — We have the ability to professionally assemble and install your products with exceptional customer service and extraordinary attention to detail while representing your brand. As your brand ambassador we deliver, assemble, install, and clean as we go. A signed certificate of completion from your customer with pictures is then instantly sent to your email. **Custom Quote**
