

MERIDIAN
PUBLIC SCHOOL DISTRICT

Foundation of Excellence

1.

Enhance our community's workforce and provide a quality education as a recruitment resource for our area. This will provide opportunities for expansion, decrease crime, and increase property values throughout our community.

2.

Enhance the overall learning experience and make education fun for the student, which will build more confidence.

3.

Enhance teacher morale and provide incentives for the teachers showing the most improvement in areas that matter to our students.
