

BOILER ROOM DETECTIVE

LOOKING FOR BOILER TRAINING FOR YOUR CUSTOMERS

Partner with international author, Ray Wohlfarth to teach your customers about boilers and it doesn't cost you a cent. If you provide a classroom that can seat at least 20, we will market the class on line and register the attendees. We will provide event flyers for your counters and a pdf flyer to email to your customers . The cost per attendee is \$129. This includes lunch. The four hour class choices are either Hydronic or Low Pressure Steam.
