

## Leonard J. Klonitsko Memorial Fund

Leonard J. Klonitsko was the grandfather of Mia Klonitsko, a Penguin Figure Skating Club skater for many years. During his time with Mia at the rink, Leonard was always present helping each and every kid along the way, supporting not only his granddaughter but anyone else who needed help. He believed the sport of figure skating built a foundation of life lessons that helped build character and taught skaters to reach for the stars. After his passing in 2016, this memorial fund was established to help skaters in need of ice time so they, too, could possibly be in the wonderful sport of figure skating.
