

AMADOR COUNTY FAIR **SCHOLARSHIP COMPETITION**

WHAT IS THE AMADOR COUNTY FAIR SCHOLARSHIP COMPETITION?

The Amador County Fair Scholarship Competition is a prestigious youth scholarship program dedicated to the advancement of youth. It is conducted as a non-profit civic function of the Amador County Fair and the Amador County Fair Foundation for the educational benefit of youth.

WHO IS THE PROGRAM REPRESENTATIVE?

The Amador County Fair Scholarship Competition is represented by a person of merit and who is recognized for outstanding accomplishments and achievements. The title of "Miss Amador" serves as the official hostess of the Amador County Fair and Amador County. This person of distinction serves as a leader for one year as a public relation specialist for the fair industry in our county.

WHEN AND WHERE IS THE COMPETITION HELD?

The competition will be held Thursday, July 28, 2022, 8:00 p.m. at the Amador County Fairgrounds in Plymouth, California. Miss Amador and her Court will represent the Fair and the County of Amador by going out and meeting with organizational groups, service clubs, schools, businesses, etc.

HOW IS THE COMPETITION CONDUCTED?

The contestants are judged in several phases of the competition. First, they are judged on their academics, which is a point system based upon their cumulative grade point average. Second, they are judged in an interview setting, with a panel of judges that are judging their community service and fair experience, as well as their knowledge of the fair industry in an interview setting. These first phases total 45% of their score and are judged prior to the competition by a panel of judges.

On the night of the competition, a *separate panel* of judges will judge the contestants on their communication skills (which includes their poise and composure), and their on-stage presentation (which is a commentary/presentation of a given topic). These phases total 55% of their score and are added to the previous judging scores to determine Miss Amador and her Court.

WHAT IS THE PURPOSE OF THE PROGRAM?

The purpose of the Amador County Fair Scholarship Competition is to acknowledge youth in our County for their standard of excellence and achievements and to motivate young people to a greater commitment of community service through fair and community programming.

WHAT IS THE PROGRAM MISSION?

The mission of the Amador County Fair Scholarship Competition is to assist youth in acquiring knowledge, developing life skills, and forming attitudes, which will enable them to become self-directing, productive and contributing members of our community.

WHAT BENEFIT IS THE PROGRAM TO AMADOR COUNTY YOUTH AND THE FAIR INDUSTRY?

The program provides greater County-wide visibility of the California fair industry in its efforts to serve the ten million people who attend fairs. It further provides leadership training to our youth and motivates them to a greater commitment to community service, and the program offers some \$4,250.00 in educational scholarships to further their quest for higher education. This form of monetary assistance provides an investment in our county's greatest resource, its youth.

WHO SPONSORS THE ANNUAL COMPETITION?

This event is sponsored by the Amador County Fair and its Board of Directors and the Amador County Fair Foundation and its Board of Directors, with the help of many generous local people and businesses throughout Amador County.

The point system is as follows: 3.5 – 4.0+ = 5 points (or 5%), 3.49 – 3.0 = 4 points (4%), 2.99 – 2.5 = 3 points (3%) 2.49 – 2.0 = 2 points (2%) and 1.99 and below = 1 point (1%). Official transcripts from your high school are required. If you are a college student, transcripts from high school and your college are required. **Transcripts must be mailed to the Fair Office and not copied and attached to the Entry Forms and must be postmarked and mailed to the Fair Office by May 6, 2022.**

Community Service will be scored based on an evaluation of the contributions described by entrant and her two references. Community service includes any school or non-school activities that, through the entrant's efforts, improve her school and community. Examples would be: service clubs, student government, athletic participation, leadership, citizenship activities through church, 4-H, FFA, Grange, Scouts, etc. Any other appropriate activities may be included. Verification will be made. Fair Experience will be evaluated using entrant's participation in fair events such as entry in judged categories (baking, sewing, agriculture project, showing an animal); working in a youth organization booth; fair attendance. **All community service activities must be from the 9th grade (or equivalent) through the due date of the application package only.**

Personal and Fair Industry Interview - 15% **

Score will be evaluated on entrant's performance in response to a variety of questions in a formal interview. The entrant's knowledge, perception, mental alertness, awareness, articulation and self-expression are carefully reviewed. This area of competition provides an opportunity for the judges to focus upon the entrant's sense of values, attitudes, future goals and aspirations, and personality. In addition, score will be evaluated on entrant's knowledge of the Fair Industry, with particular emphasis on the Amador County Fair.

Communication Skill - 25% (Self-introduction, poise and composure in answering an impromptu question and poise and confidence in the evening gown presentation.)

Score will be evaluated on entrant's ability to speak before a live audience and the effectiveness of her communication skills. Composure, confidence, and on-stage personality are important facets of this area of competition.

On-Stage Presentation - 30% (Commentary/presentation of given topic)

Score will be evaluated on entrant's articulation, manner of presentation, grammar, confidence, and overall appearance relative to her potential as a representative of Amador County.
