To call for time, one rider must ride in gate and raise a hand for the flag. However, time continues until all un-penned cattle are on the cattle side of the starting line, including assigned, but un-penned, cattle. Contact with the cattle by hands, hat, ropes, bats, romals or any other equipment is a disqualification. A team exhibiting any unnecessary roughness will be judged no time. No hazing with whips or ropes is allowed. Romals or reins may be swung or popped on chaps or horse. A team calling for time with any wrong-numbered cattle in pen will be judged no time. If more than 4 head of cattle are brought across the starting line, team will be judged no time. Once committed to the cattle, the team is completely responsible for their animals. It is the team's responsibility before working the cattle to pull up and call for judge's decision if, in their opinion, there is an injured or unusable animal in their numbered cattle. Once their cattle are worked, no excuses are accepted. If an animal leaves the arena, either over or through the fence, the team can either be disqualified for unnecessary roughness, or can be given time on their remaining cattle, depending on the judge's decision. In the event that an animal bearing a number other than the number that the team has drawn escapes from the arena and said number has not yet been used in that section, and in the opinion of the judge the animal cannot practically be returned to the arena immediately, the number on the escaped animal is removed from the draw, and work continues in that section to the next to the last team. The last team in that section, being the team, whose number was removed, would then be sent back to work last in the go-around. Should this situation occur more than once, the same procedure shall be followed in the event that the animal is, in the opinion of the judge, disabled. All contestants must wear a cowboy hat, long-sleeved shirt and boots or shoes must have a distinguishable heel. All members of a team must enter on the same entry form. In the event of a tie affecting the placing, each team will be allowed to pen one (1) numbered animal. Fastest time breaks the tie. All Judge's decisions are final!

AMADOR COUNTY FAIR HORSE SHOW RULES

CATTLE SORTING RULES:

LIMITED TO THE FIRST 30 TEAMS ENTERED - NO POST ENTRIES ALLOWED

Open to residents and producers of Amador and Calaveras County.

NO WAITING LIST

Horses may be cross-entered from other divisions. A team will consist of two (2) riders. One go. There shall be ten cows in the arena numbered 0 through 9 and two blank cows optional for a total of 12 cows at the beginning of a run. Single runs may have ten numbered cows 0-9. The start/foul line will be a 12 ft. opening between the two pens of equal size, approx. 50 to 60 ft. There will be 90 second time limit on each run with a 30 second warning.

The cattle will be bunched in the center of the pen on the back wall before the run begins. Time begins when the nose of the first horse crosses the start/foul line and the judge drops the flag. The designated starting cattle number will be announced immediately after the flag drops. The team must sort the cattle in numerical order beginning with the designated starting number. A cow is considered sorted when the cow is completely across the start/foul line. If any part of a sorted cow re-crosses the start/foul line, the team will be disqualified. If any part of a cow that is out of numerical sequence crosses the start/foul line, the team will be disqualified. The team sorting the highest number of cattle in the fastest time wins. All ties will run a tie breaker run.

Singles sort ten cows with any one cow eligible to be a card sorted out of sequence without penalty. Any re-ride given by the judge will begin with the same sorted cattle in the sorted end of the arena and the same time on the clock as when the judge stopped the clock.

The judge may grant re-rides if one of the following events occurs

- a. A non-sorted cow escapes the arena.
- b. A cow's life or health is in jeopardy as determined by the judge.
- c. A cow becomes unidentifiable during the run, (i.e.:a number comes off)
- d. An official or mechanical error.

In the event of any of the above occurring, the team will have the option of the following. Accept as the number of cattle sorted at the occurrence, as the number of cattle sorted in the maximum time allowed (the team score). Ask immediately for a re-ride. If a team observes a cow that is injured, unworkable or unidentifiable, they may request the judge to replace the number before run begins. The Judge's decision is final. When the judge rules that a cow is injured, unworkable or unidentifiable before the run begins, the cow will be replaced or re-numbered. All previous times on the same herd will remain the same. All roughing calls will be made at the judge's discretion. All judge's decisions are final!!

Horses may be cross entered from other divisions. Riders may only enter twice if class is not full; exhibitors of a second team will be on an official waiting list and must be entered with a different partner. PRCA Association dally team roping rules prevail. All Contestants must wear a cowboy hat, long-sleeved shirt and boots or shoes must have a distinguishable heel. Helmets recommended.

ANYONE NOT ADHERING TO THE RULES WILL BE SUBJECT TO DISQUALIFICATION

REAL RANCH CATTLE PENNING RULES:

LIMITED TO THE FIRST 10 TEAMS ENTERED - NO POST ENTRIES ALLOWED

Open to residents & producers of Amador and Calaveras Counties.

ALL LIVESTOCK MUST ENTER AND EXIT THROUGH REAR OF THE TRAILER.

Competition will be on a timed basis, with a 7 minute time limit. The four fastest times will act as elimination times. A 30-second warning will be given. Teams will be comprised of three (3) people including one truck driver (must hold a valid driver's license), two horseback riders, two saddled horses and up to two dogs. A team loading three head will typically beat a team only loading two head, providing all rules are followed. Prior to the team entering the arena, three head of cattle will be released into the arena. Official time will begin when the front bumper of the truck passes through the gate into the arena (teams are not responsible for closing the gate). All team members must be in the cab of the truck, with saddle horses in the trailer & panels attached to the exterior of the trailer. There will be a piece of organic or inorganic matter (tree, rock, log loader, etc.) in the arena, which may be used as part of the catch pen. It is up to each individual team if they want to use the organic or inorganic material. The teams will situate the trailer & panels in the arena, staying at least 32 feet away from any fence. At no time is a team allowed to use an existing fence as part of their catch pen. The team members must pen the cattle in the trailer, close the middle door, load the horses, load the panels on the outside of the trailer in a manner safe to travel; and then load themselves into the cab of the truck. Time will stop when the front bumper of the truck leaves the arena. Decision of the judge is final. Equipment required (to be provided by exhibitor): One livestock trailer (with middle door) attached to a running truck; two saddled horses; one or two dogs (dogs are optional); one, two or three 16-foot panels (maximum) which are to be attached to the exterior of the trailer (panels optional).

PENALTIES:

Roping of a dog, cattle or partner will result in disqualification. Screaming NOT allowed!!! A 10-second penalty for any panel falling off the trailer as that trailer is either entering or exiting the arena. Hazardous driving that results in cattle or horses losing their footing will result in disqualification.

ANYONE NOT ADHERING TO THE RULES WILL BE SUBJECT TO DISQUALIFICATION

AMADOR COUNTY FAIR HORSE SHOW RULES

CALF BRANDING CONTEST RULES: **LIMITED TO THE FIRST 15 TEAMS** **NO POST ENTRIES ALLOWED**

Open to residents and producers of Amador and Calaveras Counties
NO WAITING LIST

Each team will consist of four (4) persons. Each contestant can go twice as long as they are on separate teams. Two to rope the first calf, the other two on the ground. Ropers will switch with ground crew on the second calf. Each team will first head and then heel a total of two head. The animal must be headed first, then heeled, or the team will be disqualified. TIME LIMIT – Four minutes to brand two calves. Two legal catches: around the neck or neck and front leg. All four feet must be within the stretch ropes before the calf is branded. If a foot is lost, it must be replaced before branding. Branding iron may not be removed from paint pot until all four feet are in ropes. A maximum of 3 loops per calf is allowed on the heels. Ground men can then throw the calf and put loops on the feet. Each loop must be an honest effort – if not, a 30-second penalty will be assessed for each throw. Calves must be headed and heeled before ground crew can leave the designated area, except: They can pick up a dropped rope from the ropers without a penalty if they are back in designated area before the calf is heeled. They can pick up a dropped head rope without going back to designated area

if calf is already heeled. Final time will not end until the second calf is on its feet, free of the ropes and the iron is back in the pot and ground crew back in the designated area. No one except the team and judges are allowed in the pen. Once the contest has started, there will be no discussion with the judges. If a fence goes down, all watches are stopped. Time will be recorded, watches cleared and restarted. That time will be added to the first time. All contestants must wear a cowboy hat and long-sleeved shirt and boots or shoes must have a distinguishable heel. Helmets recommended.

PENALTIES:

60 seconds if calf is branded before all 4 feet are in ropes. 30 seconds if ground crew leaves designated area before calf is headed and heeled. 30 seconds for improperly placed or upside-down brand. Brand must be right rib, not more than 2 to 6 inches from backbone and 6 inches back from shoulder blade. Undue roughness will disqualify the team.
