

Daily Food & Beverage Credit for Hilton Honors Gold and Diamond Members

New Dining Benefit

Beginning early July through December 2021, we'll be offering **Gold & Diamond members a Daily Food & Beverage Credit as part of the Hilton Honors MyWay benefits**. This offer replaces the current complimentary Continental Breakfast benefit received at U.S. hotels only. Outside the U.S., Gold & Diamond members will continue to receive their standard MyWay Breakfast benefit.

Enjoy More Flexibility

Whether members look forward to breakfast or would rather skip a morning meal in favor of a refreshing beverage and afternoon snack, the choice is now yours. The credit amount will vary by hotel brand and will be provided to you and up to one additional guest registered to the same room, for each night of your stay.

Easy to Use

To redeem the credit, simply charge all eligible food and beverage purchases to your room. The credit will then be automatically applied to your bill prior to checkout.
