
July 9, 2019

Dear Industry Leader,

I would like to formally invite you to participate in Part One of the World Legal Summit (WLS), happening on August 1, 2019 in 30+ cities, across 20+ countries worldwide, including Toronto, Ontario. You are receiving this invitation because of your role in shaping topics relevant to the global discussion of the WLS, which is focused on bridging the gap between law and technology.

About the WLS:

The inaugural World Legal Summit aims to bring together the legal and technology industries to collaborate in the understanding of legislative frameworks needed for the sustainable evolution of technology and emerging global systems. A two-part initiative, the World Legal Summit (WLS) is designed to first understand and formulate insights about the law and its relation to technology (Part One), then to facilitate a worldwide development sprint (Part Two) where insights from Part One are incorporated directly into technology development.

This year the WLS will focus on three main categories:

- Identity and Governance
- Autonomous Machines
- Cyber Security & Personal Data

Learn More at: worldlegalsummit.org

Your expertise in one or more of these topics suggests that you would be a great candidate to join our local discussion, which will contribute to the global results of the WLS.

I would like to invite you to be one of a small group of industry leaders joining the local discussion in Toronto. Part One of the WLS will take place at Osgoode Hall Professional Development at 1 Dundas Street West, Suite 2606 from 9:00 a.m. to 5:00 p.m.

Kindly RSVP by email before July 20th if you would like to join us on August 1st. Should you have any further questions, please do not hesitate to ask.

Sincerely,

Victoria Cino

Event Planner and Partner, World Legal Summit
