

# New Videos: The value of membership

FOLA is excited to announce five new videos to help you both retain existing and attract new members to your local law association. We know how important videos can be in quickly and succinctly articulate messaging and we invite Ontario's 47 Law Associations to use these in any and all promotional materials and to include them in upcoming newsletters.

At FOLA's November Plenary, we provided a sneak peek to all attendees, and now you can view them too! Four of them are around 1 minute and one is a 2 minute video describing what FOLA is.
