OCLA WEB APP PRESENTATION

2019. May FOLA Plenary

Background

▸ The idea for the app was inspired by the 2016 FOLA PRC Innovation Award which encouraged innovation amongst its member Associations.

▸ Although the PRC's/Libraries were not eligible for the award, OCLA took it as a call to pool our knowledge; showcase to the shareholders that we are a progressive organization; and that we could find a platform to better serve the lawyers of Ontario.
