ID in the form of a passport or driver's licence will be accepted. The dog(s) will not be released to them without prior consent from the owner and you will be liable for any extra boarding charges should this occur. This is for the safety and security of your dog(s).

It is your responsibility to ensure your dog/s vaccinations are up to date so please check this before confirming your booking as we cannot accommodate your dog if their boosters/ vaccinations have expired.

If you cannot be contacted within a reasonable amount of time or have chosen not to be contacted we reserve the right to seek appropriate and swift veterinary attention and proceed with treatment regardless of costs, which you agree to cover. We will do everything needed for the dog as regards treatment, comfort and recovery. If euthanasia is absolutely necessary (determined by the vet) for whatever reason excluding behavioural (aggression etc) we will accept and act upon that vet advice. There will be a minimum charge of £45 added onto your remaining balance for each Veterinary visit made, this includes non emergency vet visits.
