

PATH

SOCIEDAD ANÓNIMA

SINCE 1991, AT THE SERVICE
OF INNOVATION

SINCE 2024, THE FIRST
VEHICLE COMPANY FOR
INDUSTRIAL AND
TECHNOLOGICAL
INVESTMENTS, IN
ARGENTINA

Our Services

- Search for the best industrial and technological investment opportunities in Argentina.
- Clearly define the profitability margins of the companies to be created or taken over, and their subsequent exit to the capital market.
- Write investment prospectuses, and facilitate all legal contracts, for their completion.

Our mission

Provide appropriate industrial and technological management, calling on the best specialists in each production sector.

Our goals

Invest in strategic sectors, linked to Medicine and Health; Hydrogen Energy; Supercomputers and technologically advanced Chips.

Why Us?

Reasons to work together

- More than three decades of innovations: from the first LAN network in a university in 1993, to the implementation of an algorithm to invest in commodities.
- Vinculaciones con estudios legales, bancos de inversión, así como universidades, que facilitarán todo el proceso de diseño, inversión, y control de gestión.
