Description

KATIE is a popular Nova Scotia built Monk 36 that is new to the market at a very attractive price. Featuring two staterooms and two heads, she is all that you will ever need in a quality trawler. Attractively priced for immediate sale. Do not hesitate!

Easily board this classic trawler from either the port or starboard boarding gate onto walk-around fiberglass decks. The cabin is accessible from either side, through a sliding door. Inside the cabin entrance is a traditional trawler layout with saloon galley up, guest quarters forward, and master stateroom aft. The saloon has a L-shaped settee with hi-lo table, three large opening windows with screens, and one aft facing sundeck window. L-shaped galley with laminate counter tops. Helm with rotating captain's chair atop built-in locker, and three-panel windshield.

Down four steps forward to guest quarters with v-berth, ensuite head, large hanging locker, two opening portlights, and an opening overhead hatch. There's storage compartments built within the v-berth.

Down four steps aft to master stateroom with center-lined double island berth, two large opening windows with screens, large aft facing window, opening overhead hatch, ensuite head with stall shower, three large hanging lockers to port, five stacked drawers, stowage locker aft, and three small lockers with drawers to starboard.

Walkaround nonslip decks on the exterior allow for easy line handling. Molded steps give access to raised sundeck with mounted deck box and tabernacle for lowering the mast. Up three steps from the sundeck to flybridge with two hinged-topped storage benches, extra-wide captain's bench, separate mate's seat, and canvas Bimini top.

\$20,000 PRICE REDUCTION ON FEBRUARY 10, 2025. DO NOT HESITATE, FOR SHE WILL BE GONE!
