PRESIDENT'S MESSAGE – MAY

I cannot believe how fast these past two years have gone. It has been a real pleasure and privilege to be the President of GFWC Coco Plum Woman's Club. When I started in 2016, I really did not know what to expect. I have had such fun and got to know so many of you ladies, (my club sisters), traveled with you, played with you, worked with you and just loved you.

We have done so much these past two years. Some of the things we always have done and some new things, like planting a pinwheel garden, having a White Elephant Sale, Friday night Cocktails, having a float in the South Miami Christmas Parade, Painting Party, Bingo and several other fun projects, not to leave out our fabulous Tea and Fashion Show.

Our big event that just happened was the installation of the Historical Marker. Mary Lou Winkler, Maxine Bizette and their committee did an outstanding job and we are so proud of marker and what we stand for and for all their hard work.

As for our building, we did some work there also. We replaced the roof and beams in the tower that was about to fall. We replaced doors, that were specially handmade for us by our own Fernando and his workers. We added an air conditioning unit to the Ladies Bathroom, replaced the front entrance walkway and many other items too small to mention.

None of these things could have been done with your commitment and help to Coco Plum Woman's Club. In the coming year I hope we will accomplish more and increase our club membership with other members like each of you.

Thank you all from the bottom of my heart for giving me the honor to be President of Coco Plum Woman's Club.

Love you all,

Anita
