What's Happening in July !!

President's Message

Summer is upon us and coming up we have a couple of fun events.

First on **July 9th** we are having an exercise class. It is **FREE**. For those that are still in Miami this summer and are interested in keeping fit this summer, come out and see if you would be interested in doing a little exercise. It is at **1 pm on July 9th**. Wear something you can exercise in.

Second, we are very excited about **the Book Review on July 24th**. The author **Mamta Chaudhry** just released her new book "**Haunting Paris**", in June with a book signing at Books and Books. Mamta lives in Coral Gables and worked at Miami's former

classical radio station WTMI. We were so lucky to have Mamta come and talk about her book. Please, if you are in town on the 24th, come and enjoy this exciting event. Her books will be for sale. Invite your friends and other Book club members. We are asking our member to bring finger foods, so if you plan on attending let Anita know.

Let's Play Cards! If you would like to come to Coco Plum on **July 16th, 10:30 a.m** to play cards, put a table together and come enjoy the cool inside and play cards with your friends. As in the past, bring a bag lunch and we will provide the drinks. Let me know if you have a table together, so we can have enough table set up. This has always been a fun morning with friends.

I guess for now that keeps us busy in July. We have a **really BIG event in August**. So make sure you have **August 21st** marked off on your calendar for **Coco Plum's Luncheon and Fashion Show**. If there is something you would like to do this summer as a Coco Plum Woman's Club event, let me know and we will see if we can work it out.

Thanks so much for supporting Coco Plum events and **STAY COOL**.

Haunting Paris has been called "a wonderful debut" and "a heart wrenching love letter to Paris." It

is a story of love, loss, and redemption set in Paris in 1989, when a woman mourning the loss of her lover embarks on a decades-old quest that leads her deep into the secrets of the past and sheds new light on the dark days of the Nazi occupation, as well as on the character of the man she loved, who watches over her from the afterlife.

Mamta Chaudhry worked at Miami's former classical radio station, WTMI, and has taught literature and creative writing at the University of Miami. She lives in Coral Gables and currently working on a second novel.
