# Highlights

## Rx Summit - Nashville

The ACTION Prevention and ARRC Crews had the amazing opportunity to attend the Rx and Illicit Drug Summit in Nashville, TN in April! It was a wonderful experience where we got to connect and network with other professionals in prevention, recovery, treatment, and clinical fields while attending classes and seminars that gave us an even broader knowledge to implement into our practices. What a wonderful trip!

# Part 2

## Prom Promise 2025

We had the opportunity to conduct our annual Prom Promise event at the high school for all of the 2025 Seniors who were planning to attend prom. We got to talk with the seniors about making healthy and safe choices on prom night (and every night!), then they got to come take the Prom Promise Pledge, committing to those good decisions. Since there were no incidences on Prom Night, we went the next week and drew 2 names for \$50 cash prizes! We are proud of our 2025 Senior class for staying safe and accomplishing high school! Way to go!

### CONGRATS, WINNERS!

Johnson County High School students upheld their pledges from the Prom Promise to make safe decisions on Prom Night so we drew 2 names for a \$50 cash prize! Congratulations to LaRue Mills and Atheana Brown! We would like to thank JCHS, Coordinated School Health, and the Senior Class of 2025 for letting us participate!
