RECOVERY MONTH 2023

Every Person. Every Family. Every Community.

Thanks to our treasured community, over the past two years, the ACTION Addiction Recovery Resource Center, (AARRC), has been able to assist **more than 80 beautiful people** fight substance use disorders. Now, it is time to applaud those folks, and you, our incredible supporters.

The AARRC has *you* to thank for your help in fighting the stigma associated with substance use disorders. The good news is, it's working; together, through genuine care and education, we are showing the community that every person deserves a chance to heal. Let's continue this important goal.

We hope you'll join us at 6:00 PM, **Friday, September 22, 2023**, at First Christian Church's Life Center, 401 West Main Street, Mountain City, as we share our successes and embark on our annual Recovery Walk to celebrate every person and every family in our recovery community.

Mission: *"To improve the quality of life within our community by providing inclusive and supportive substance use recovery services and education."*

Vision: *"We envision a community that embraces a recovery-oriented lifestyle where those in recovery can overcome stigma and shame by confidently proclaiming, "I am a person in recovery!"."*

Highlights: FAMILY DAY FUN!
