Cranbrook, TN17 2LL

Personal profile - I'm a confident, sporty and outgoing person. I love meeting new people, speaking languages and playing instruments. I hope to study mechanical or aerospace engineering in the future.

Skills

Teamwork - I thrive in group settings and often enjoy taking on more of a leadership role.

Problem solving -

I have always been a very practical thinker and solving problems has always been something I have found enjoyable.

Education

September 2024 –

GCSE's - Benenden School

Present

Maths, English, Physics, Chemistry, Biology, Spanish, French, Geography and Religious Studies

Other interests

November 2024 -

Winner of STEM year group project

December 2024

We were tasked with researching a STEM based topic and presenting it to our year group and headmistress. I chose the topic of 3D Bioprinting and won the competition for best all round poster.

Hobbies

- Music (piano, guitar and singing)
