## COMMANDERS REPORT

Hello fellow legionnaires

I wanted to thank all that attended the last meeting. As you noticed we have had a lot of things in change as you are aware for the people that came to last meeting. We had the new copy of the constitution and post bylaws. We are required to read them 3 times. As you know last meeting was the first time read. We will have them again next meeting. Please look them over and ask questions.

On Nov 5th we will have our National Vice Commander coming to visit our post to do two things. First is a buddy check and help with membership and second, he is coming to do a site visit for the national convention coming in August of 2022. This will be the start of many things.

On November 6th the Legion auxiliary will be having a spaghetti dinner. I highly encourage all to attend and help support our ladies out.

We will be starting Fish Fries here soon. We are working thru some final show-stoppers. Once we get them taken care of, we will be sending out emails and putting up signage on when we will start them. This will be a learning curve, so please bear with us as we venture into new areas. With that being said, we will be needing help with the above dinners and functions, please help out.

In January we will be having midwinter training in Wisconsin Dells. Please look at [www.wilegion.com](http://www.wilegion.com) for more details.

In closing please, if you have not made your investment to the post, aka paid your dues please do so.

Terry Barrington

## 1st VICE COMMANDER

Hello to ALL! Christmas is here, right at your doorstep. Renew your membership before Nov.11th. Anything after that won't count in the contest. There won't be another 416 Shuffle. This is it. Christmas is right around the corner. By the time you get this newsletter, it may be too late. This is our only source of getting the news to you. Read the newsletter!

Things will be going on pretty soon, and you'll need to be part of the family. We have programs starting like aquaponics, some farming, fishing, horse riding, just to name a few. A lot of these programs are geared towards the family and kids. It's a good time to get together. Pretty soon fish fry will hit the scene. Become a part of it. OR, you can just sit back and do nothing. YOUR CHOICE!

Tim Baranzyk

## 2<sup>ND</sup> VICE COMMANDER

Your Legion is again attempting to institute a Social Activity calendar. How and if this effort will continue will depend on the success of the activities as we progress. The first activity will be the Christmas Party planned for December 4<sup>th</sup>. A Christmas Party flyer has been included in this

newsletter. It is (I hope) self-explanatory.

I am fortunate to be involved with a group of Legion dedicated members who have agreed to serve on the Entertainment Committee. There are many more dedicated members, however these folks, when asked, were available to serve on the committee. With their permission I will publish a list of the members of the committee for your information and for you to have their names for future questions, etc.

I hope to see you at the party. It will be a "gooder one" and I certainly will welcome critiques relative to the party and suggestions relative to any future activity you may have.

Gary Parker

## ADJUTANT

I would like to welcome all members to our meetings. You ask what this WELCOME I always come to a meeting. You notice something new there, well I got the minutes of the last meeting and the executive meeting. Did you receive your PERSONAL copy the post Constitution and Bylaws? If not your, missing out. As per Department, we must read them 3 times then vote. Reading them is your responsibility and come back with questions if you have any. Make sure you keep them and bring them to your next meeting, there might be

questions that we would ask you, so you understand them.

If you haven't paid your dues, please do so before we might drop you from our roster for non-paying. Let's make this a year of remembering what the LEGION has done for us, lets support your post. You can submit your dues online under MY LEGION.ORG.

We still need you to step forward in taking care of your post, we can't have the same people doing everything. Can you afford a few hours a month? Helping in the kitchen, bingo, small projects around the post, and now the upcoming fish fry. If you want the post to grow and stay healthy, you have to sometimes get off your butt and help.

Don't forget that the Auxiliary has their SPAGHETTI DINNER here on November 6 from 4:30-7Pm, bring the family. All you can eat for \$10 can't go wrong. Don't forget the basket raffles to support Veterans and Youth programs.

Don't forget about our next general membership meeting and bring your own personal copy of your Constitution and Bylaws.

Tim Bellis

### Auxiliary Membership

Your 2021 membership year will expire in just two months on 12/31/2021!

Thank you to the 70 plus members who have already renewed for 2022. We need the remaining 35 members to renew in order to reach our goal of 105. It's become clear that in order to reach this goal and for the future of our organization, we must

recruit new members. Our State President Diane has set forth this challenge: that all members speak to 1 prospective member about joining the American Legion Auxiliary. My additional suggestion would be to attend our Spaghetti Dinner on November 6th with that prospective member as well as family and friends. There will be good food and wonderful raffles prizes. We need every member's support for this major fundraising event.

Renew your membership by phone with a credit card at 317-569-4570, M-F 7am-3:30pm

Please feel free to call me regarding membership eligibility or visit the website for Wisconsin units at [www.amlegionauxwi.org](http://www.amlegionauxwi.org). It's a great site full of information.
