COMMANDERS REPORT

Hello Fellow Legionaries

First off want to say hello to all the new members. We have had a great first two months back. There been some changes and improvements happening within our post . Here is an October recap.

We had our 2nd Fish fry of the season, and it was a big success. We are getting noticed around Milwaukee about it. Great job to all that helped on that.

Now coming in November, we have the American Legion Auxiliary unit 416 spaghetti dinner that will be on Nov 5th, that is always a huge success for the Auxiliary. We can use some help to support them on this event. We also have 2 members flying on the Honor Flight that same day. They are LEO TAYLOR AND BOB ZOLANDZ. And I will be on that mission as well as Leo's Guardian. We don't know our

flight times just yet. But the Alpha Flight gets into Milwaukee at 8:30pm and Bravo flight gets in at 9:30pm. Please support the mission and welcome home all the vets on this. It means the world.

With that I would like to say on behalf of all of GREENDALE POST 416 WELCOME HOME !!!! We have always had a great turnout to all that have flown on this mission.

We also have Veterans Day coming up. I want you to take a minute and read this.

One hundred and four years ago, on November 11, 1918, the guns of the world fell silent. An armistice was signed, and the Great War was over. Unfortunately, World War I was not the "war to end all wars," as many had hoped.

Veterans are not only responsible for defending this nation during time of war, but it is the imposing presence of our great military that has acted as a deterrent to would-be aggressors.

The veterans of the United States military have not only fought wars, they deserve our gratitude for preventing them.

And while today we rejoice and honor the service of America's veterans, we also remember the wise words of Gen. Douglas MacArthur. "The soldier above all other people prays for peace."

God bless you all for being here, God bless our veterans and God bless America.

Terry Barrington

1ST VICE COMMANDER

Our paid membership stands at 303 out of 639. The membership committee will start contacting members who have not sent in their dues so far. For those who haven't sent in their dues, as the old saying goes the sooner the better. If you are having financial problems in paying your dues, please let me know, we have members who have given the post extra money to help those members in need of a little help. So, if you need help, please don't be bashful let us know that is what we are all about. For those who have paid thank you. If you like

to be on the membership committee let me know can always use the help.

Dave Pier

2ND VICE COMMANDER

Your Entertainment Committee, along with the Greendale Lions were involved in the Village October Fest on September 24th. The corn roaster was our function for the venue, and we owe thanks to Bill Hashker for cooking the 700+ ears of corn that were sold that day. Made some bucks for the vets and that's what it is all about. We are also discussing, with the Lions, the possibility of a corn roast. Time will tell if and when it is scheduled. we will let you know.

The Fish Frys are going along without any problems. I speak to many folks attending them, and the comments are positive, i.e., great food, service, etc. We are fortunate to have an adequate number of volunteers to keep things rolling. I cannot thank the volunteers enough. They certainly work fast and steady. In any event the fries will continue on the third Friday of the month; Nov 18th and Dec 16th; 4:30 pm thru 7:30 pm. I sincerely thank you all for your continued support, especially when, as many of you are aware, we incurred numerous clusters when we started. I guess my grandmother was right in her

premise that it all comes out in the wash,
just takes a little time for some of it to dry.

Finally, have a safe and joyful Thanksgiving
holiday. Remember, if you should eat too
much, you, as well as I, do not want to
“fade away” from the lack of chow.

Gary Parker

ADJUTANT

How fast this year has gone by and there is
much more for everyone to partake
in. October 29th we will have a Halloween
costume party here at the post sponsored
by the MONTAGE, there will be dancing,
and food lets have fun.

Friday November 11th there will be a
QUILTS OF HONOR at the Greendale Public
Library from 6-7:30 pm. Let see who
receives these special quilts for our
veterans .

When we have our next post meeting, we
will have a kitchen remodeled with a new
look.

See Mr. Parker for your upcoming
Christmas party on Saturday December 3rd.
Mark that date, come one come all.

Don't forget the loss of our Brother
Cliff's wife who passed away last week.

Last month we had several from our post on
the HONOR FLIGHT. This month we will
have Leo Taylor and Bob Zolandz on the
flight. Support them on their homecoming
arrival . By all means let's support them
with a large showing from Post 416.

to our government.

Part 2: Assigned Topic Discourse - a 3-5
minute impromptu assigned topic drawn
randomly on the day of the contest. Below
are the assigned topics for the 2023
Oratorical Contest Assigned Topics as

outlined by the American Legion National Department.

Assigned Topics for Discourse 2023

VOLUNTEERS & LEGION FAMILY SUPPORT NEEDED

To conduct the Post Oratorical Contest the Oratorical Chair, myself, will need various volunteers as Judges, Timekeepers, Tabulators, Escorts, and Others to ensure a professional and successful Post Oratorical Contest. Please contact me if you're interested in volunteering, be receptive and be asked to support, and reach out if you know of a local media personality or qualified individual that may be interested in being an Oratorical Contest Judge or supporter.

Please promote this amazing scholarship opportunity within our communities, to include public, private, religious, and homeschooled students! The Post contest event is open to the community and no Post fundraising is allowed per National Oratorical Contest Rules & Regulations. Preferred method of contact as the Post Oratorical Chair is email: kimberlystuart03@gmail.com or leave a voicemail at 262-212-4720.

Best,
Kimberly Stuart

AMERICANISM TEAM

The Americanism presentation schedule is filling up. Thank you to those who have helped open the door for an Americanism Presentation at schools and youth groups. Please continue to promote and forward contact information.

I have stated in the past that it was my intent to share what Americanism means to individuals in our community. The first perspective is from our Post Commander Terry Barrington: 'Americanism to me is the American Flag. As fellow military we learned to defend the colors it's ever-most in the back of my mind. We protect the colors, and the colors don't run. When I deployed to Iraq, I would wake up every morning and there was the American flag, it reminded me that we are the protectors of our freedom and every other American. When you are deployed and see the American Flag, it is a beacon of light and makes me proud to be who I am today. I now look at the colors as who we are. It's now our turn to teach the future what the Flag means.'

Thank you, Commander, for your perspective. I look forward to having others from our Post and the larger community to share what Americanism means to them.

Aim High
That Others May Live.

POST 416 HONOR GUARD

Our founders of Post 416 had the foresight to form a squad known as the Firing Squad. This was the start and now we are known as the Honor Guard. We owe a great gratitude to these members who had the foresight, and we must and will continue this tradition.

Our mission statement is "Honoring our Vets"; thus Veterans Day is a special day for our squad. We have a team that attends military honors seven days a week when called upon.

Thank you for your loyalty and cooperation.

Proud to serve as your Capt.

PAST COMMANDERS REPORT

I'm creating a Community Civilian Conservation Corps. This involves the science of using Hydroponics, Aquaponics, besides growing food in soil. My emphasis is Conservation, and putting more interest in Science, Technology, Engineering, and Math. Along our avenue of events, we will explore underwater habitats, with ROVs- underwater drones.

Some subjects involve Rockets for Schools, interview skill training, use of media presentation, public speaking, special projects.

I recently returned from Cape Kennedy, with several sessions involving some astronauts. We need education to help fight the unknown.

If any of you are interested, contact me by text, phone call, or email. I'm looking for members of the Legion Family to be eligible. There is no cost, just your interest and dedication. I'll have more news at the next membership meeting. With a targeted start date.
