## COMMANDERS REPORT

As we slowly move into Fall, all sorts of variables continue to appear. My crystal ball has not cleared from last month. With these variables flying around, I can't foresee, but must wait on the outcomes. This includes all meetings, big and small. At whatever level, everything is getting affected. What I say here may change next week. We do a monthly newsletter, but hope to expand other ideas into quicker news. We're looking for individual emails so this info can be sent out faster. My suggestion is create another email which could only be used for information from the post. I believe our 1st vice Terry will be asking this. Not everyone will do this, but we're starting. You still will receive a newsletter. Other ideas are being tossed around.

As for the Greendale Veterans Memorial, the crew is trying to catch up on the bricks. We hope to have everything done before Veterans Day, at the latest.

Continue to watch the news and use your judgement as the days go by. Sooner or later things will improve. The post is still stable and is operating

Tim Baranzyk

## 1<sup>ST</sup> VICE COMMANDER

Hello fellow legionnaires

As of August 23, 2020 we have had 282 out of 656 members pay their membership renewal, that equals out to 42.8% making their investment into the post.

IF YOU ALREADY PAID RENEWAL FOR MEMBERSHIP YEAR 2021. Please disregard the direct mailing saying pay your dues, that's only if you paid your 2021 dues. WE ARE HAVING SOME ISSUES WITH THE MAIL AND COVID AS OF RIGHT NOW, ITS ABOUT 2-3 week lag in mail. Please understand I am doing the best I can with processing the membership as they come in. Any questions please call me, I will help you on a case by case basis.

I just wanted to tell you all I am so proud of each and every one in our LEGION FAMILY, WE HAVE BEEN THRU SO MUCH THIS YEAR AND WE WILL GET THRU THIS.

If you know of any veteran that is looking for a place to hang their hat and talk, invite them in, to check us out.

We are still working on a possible pod cast and or zoom meeting idea to reach out to everyone. We have are just scratching the surface to the vast info the legion has for us. Stay tuned.

Also I need everyone to email me your name and email address to me so I can update the rosters.

Please send it to:

[Post416@att.net](mailto:Post416@att.net)

Subject line should say membership update with last name

Thank you,

Terry Barrington

## **4<sup>th</sup> VICE COMMANDER**

Welcome Back! The summer is almost over and again we will start another year for 416. For 4th vice it's been quiet, but ready for another school year even if it's home school. It was nice that we are taking care of ourselves with this virus, even wearing

I was able to purchase a ULV fogger & mister germbuster. This is what is used in hotels, restaurant, and the like, with the botanical disinfectant solution we will be one step ahead in keeping your post safe.

Don't forget in the month of September we have elections, yes get out and vote for your officer that you want to run YOUR POST. Why not you run for an office? We have about 300 members on the books and only a dozen people help run it. Without new blood it's hard to have new ideas to make it interesting so we can say I belong to POST 416.

Stay healthy and wear your mask.

Tim Bellis

## **ADJUTANT**

We will be having elections at the September Meeting, so if any of you would like to run for a post office, they are all open.

The nomination committee has a few names for the positions. If you can't be at the meeting, let me know which position you are interested in or send a letter to me at my home address since we are still having problems with getting the post office to deliver to the post rather than my house. The mail that is getting forwarded to my house is taking at least 3 weeks to a month before I get the mail.

I will be giving up my position as your post adjutant after being in this office for 25 years, so it's time for someone to move up. It has been a joy at times, I have enjoyed being your adjutant and getting your support doing it and I hope you give the next person the same support you have given me.

## **FIRING SQUAD**

The restrictions remain in place when doing military honors. Our squad consists of 3 Rifles, 1 Caller and 1 up front. When called to serve it is important that a commitment be made at the time of the call, or a call back in a timely manner. Thank you for your cooperation.

John Cemyris, who is a WWII veteran and a marine is a member our post for 56 years.

He has also served in the firing squad. He will remain a member of post, but is retiring from the firing squad. We thank him for his service to the post and especially from the Squad. Semper FI

No meeting set at this time.

Proud to serve as your Captain.

Bob Zolandz

## **PRESIDENT'S MESSAGE**

Happy Summer! The weather sure has been hot, so I hope you have all stayed hydrated and used your sunblock! I know that I have been out in the yard doing work, so I can relate.

Since we have not been able to throw the pizza party at the Adult Daycare at Zablocki, Jackie Tamsett is going to work with them to see how we can get pizzas to the veterans at their homes. Lots of red tape to go through, so we hope that we will be able to do that.

We will be having a meeting in September at 7pm, so I am hoping that I see a lot of masked faces there. We need to see what we will be able to do for our veterans, military and our community during the coming months. Put on your thinking caps and let us know what you think would be a good project. Think about the programs that we have, such as Education, Americanism, Veterans Affairs and Rehabilitation, Auxiliary Emergency Fund, Children & Youth, Community Service,

Leadership, Legislative, National Security and Poppy. Think outside the box and let your imaginations go, even with the social distancing we need to do, we can still work the mission of the American Legion Auxiliary.

Stay Safe!

Laura Calteux

## **1<sup>ST</sup> VICE PRESIDENT**

I would like to extend my thanks to all the members who have sent me their 2021 dues. I sent out 40 renewal reminders at the end of July and have received about 21 responses as of August 20<sup>th</sup>. We now have 53 paid for 2021 which is about 50%. It's a great start! I did not send notices to junior members since I know many Moms and Grandmothers like to sponsor them. Please keep that in mind for the September meeting and bring your checkbook.

Everyone will receive another renewal notice, this time from National, around September 15<sup>th</sup>. Please disregard this notice if you have already paid. Please also consider paying your dues directly to National by phone. Call 317-569-4570 to pay with a credit card. It is easy to do and saves time and postage.

If you are not aware, there are prizes and award drawings throughout the year for units who do well with membership renewals. It would be nice to win something! Our fundraising is limited this year so let's give it a try. Thank you for your efforts in advance.

Carol Stephany

Taking another look at our trophy case, Mike Haning has volunteered his carpentry skills to fix the sagging trophy case. Obscured in recent times by a food serving apparatus, the case has a number of honors and certificates dating back to the last century.

It's been suggested that updates might include photographs of past SAL commanders.

## SAL Scholarships Awarded

Joshua Richlen received the Vince Weidel Scholarship from Commander Dave Bauer at ceremonies at the Greendale High School. Richlen plans to attend UW-Madison to seek a degree in mechanical engineering. The scholarship in honor of Paul White was given to Alyssa Rinelli who intends to follow a degree in business administration at the University of Minnesota.

Joshua Richlen receiving scholarship certificate (above). Alyssa Rinelli leaves stage after receiving her certificate. Both will get their scholarship checks at the next SAL meeting.
