

ACKNOWLEDGEMENT OF RISK NATURE-BASED PROGRAM

I Love to Learn, LLC is a nature-based program, and includes daily time outdoors gardening, hiking, and exploring the natural environment.

- I acknowledge that there are risks inherent in any activity, including, - but not limited to – injury arising from participation in outdoor physical activity. I acknowledge that all risks cannot be prevented, and assume those beyond the reasonable control of the child care provider. In order to minimize risks to my child and others, I will take responsibility to ensure my child is prepared for all activities, dressed appropriately for the weather, and is in good health. I am also aware that nature walks will take place in the woods which may have rough terrain, and animals. I appreciate and accept that risk, and waive any right to pursue legal remedies associated with the inherent risks of being outdoors or risks thereof.
- My child has permission to participate in gardening activities as well as nature walks. I appreciate and accept that risk and waive any right to pursue legal remedies associated with the inherent risks of being exposed to live plants and the outdoors, or risks thereof.
- In consideration of being permitted to participate in activities at I Love to Learn, LLC, on behalf of myself, my family, my heirs and my assigns, I hereby release and hold harmless I Love to Learn, LLC, Jaime Rombalski, and any emergency or substitute provider from any liability for injury, loss, or death to a child.
