Privacy Policy for Infolink Mobile Application

Effective Date: May 10, 2026

Welcome to **Infolink**, a mobile application powered by Inforabia.

This Privacy Policy explains how we collect, use, store, and protect your information when you use the Infolink mobile application on iOS and Android devices.

By downloading, accessing, or using the application, you agree to the terms outlined in this Privacy Policy.

1. Information We Collect

The Infolink application may collect the following types of information:

a. Personal Information

We may collect personal information that users voluntarily provide, including:

- Full name
- Email address
- Mobile number
- Company information
- User account credentials

b. Device Information

We may automatically collect certain technical information, including:

- Device type and model

INFORABIA

SOLUTIONS AND CONSULTANCY

- Operating system version
- IP address
- Mobile device identifiers
- Application version
- Log and diagnostic data

c. Usage Information

We may collect information related to how the application is used, such as:

- Login activity
- Features accessed
- User preferences
- Session information
- Application performance and crash reports

2. How We Use Information

The collected information may be used for the following purposes:

- To provide and maintain the application services
- To authenticate users and secure accounts
- To improve application performance and user experience
- To provide customer support
- To send important notifications and updates
- To monitor system usage and security
- To comply with legal and regulatory requirements

3. Data Sharing and Disclosure

Inforabia does not sell, rent, or trade users' personal information to third parties.

Information may only be shared in the following situations:

- With authorized service providers supporting application operations
 - When required by law or governmental authorities
 - To protect the rights, security, and integrity of Infolink or its users
 - During business restructuring, merger, or acquisition processes
-

4. Data Security

We implement appropriate technical and organizational security measures to protect user information against:

- Unauthorized access
- Data loss
- Misuse
- Alteration
- Disclosure

However, no method of electronic transmission or storage is completely secure, and absolute security cannot be guaranteed.

5. Data Retention

User information will be retained only for as long as necessary to:

- Provide the application services

INFORABIA

SOLUTIONS AND CONSULTANCY

- Fulfill legal obligations
 - Resolve disputes
 - Enforce agreements
-

6. User Rights

Depending on applicable laws and regulations, users may have the right to:

- Access their personal information
- Request correction of inaccurate information
- Request deletion of personal data
- Withdraw consent where applicable
- Request limitation of processing activities

Requests may be submitted using the contact information below.

7. Third-Party Services

The application may integrate with third-party systems, APIs, or services.

Inforabia is not responsible for the privacy practices of external services or websites.

Users are encouraged to review the privacy policies of any third-party services they access through the application.

8. Children's Privacy

The Infolink application is not intended for children under the age of 13.

We do not knowingly collect personal information from children.
