We would like to thank our amazing volunteers for their incredible work with the renovation of Hornby Park. We have been overwhelmed with the support that we had from our many volunteers, some of whom gave a couple of hours and others who spent 16+ weeks on the project. We are so grateful for the fantastic support, skills and teamwork that were displayed throughout this project; from designing our new logo, knocking down walls, installing our IT infrastructure, dismantling and erecting a new balcony, keeping the grounds clean and tidy, building fences, putting up shelves, installing doors ... the list is endless. Without their support, none of it would have been possible - having saved us in the region of £150,000 in labour costs. We are lucky to have so many volunteers who support us in so many ways and Seaton Carew Community and Sports owe them all a massive THANK YOU!!

To all our renovation volunteers - THANK YOU !!
