DETERMINATION OF INDIGENCY

The Township will provide for resident indigent and unclaimed body burials as follows:

LIMITATIONS

The Township can not be responsible for any body found within the Township, which is claimed by any person for private disposition and interment at the claimant's own expenses.

If the decedent is a resident of another township or municipal corporation in Portage County, the disposition and interment of the body shall be made at the expense of the township or municipal corporation in which the decedent was a resident at time of death.
