

Text Amendment to Section 610.09C which shall now read as follows:

The swimming pool or the entire property upon which it is located shall be secured by an enclosure (wall, fence or similar types of structure) in such a manner as to prevent uncontrolled access by children. The structure used to secure the pool shall not be less than four (4) feet in height and it shall be maintained in good condition with a gate and a self-latching lock. (March 23, 2023)
