# Woof & Purr Remarks

## Boarding Updates

We are now accepting reservations through the end of the year. Please keep in mind, the holidays do fill up fast. For all holiday reservations, we will require a three night non refundable deposit to hold your spot. A three night minimum is required for all holidays.

## What is all the sniff about?

Did you know, we have a doggie door connected to our inside play room? This allows us to keep your pets drier, cleaner, and more engaged. This is so helpful, especially on days the weather is not cooperating or when we are in-between inside/outside group activities.

## Barking Jokes

Q: What's the best way to stop your dog from barking in the front yard?

A: Put them in the backyard!

Q: What's a dog's favorite mode of transportation?

A: A waggin'!

Q: What's a herding dog's favorite game?

A: Hide and sheep

## Doggie Daycare

If you have not yet confirmed your reservations for the Spring, please do so ASAP. We are currently accepting reservations through Memorial Day. Daycare will be limited May 23rd through the 27th. Please note our facility will be closed May 26th.

## Meow News

We are currently taking reservations through the end of the year for cat boarding. We encourage all new clients to tour the facility. We offer a free roaming experience, meaning your cat will not be limited to space in a cage or kennel. All of the cats are kept out of cages/kennels to mimic a homestyle environment.

## Feline Facts

1. Cats have the largest eyes relative to their head size of any mammal.
2. Cats have 230 bones, while humans only have 206.
3. Cats' claws all curve downward, which means they can not climb down trees head-first.

## New Dog Client Requirement

All new dog clients coming into the facility are required to complete a temper assessment before confirmation of reservations. We have half or full day options available.
